# CORPORATE PROFILE

Established in September 1989 and listed on Singapore Exchange since February 2004. Matex International limited a leading manufacturer, supplier and marketer of quality dyestuffs and specialty chemicals, colour measurement and computer aided systems to various global markets such as textile, paper, leather, detergent and polymers industry. As part of its blueprint, it aims to be a world-class integrated service provider in CLEAN COLOUR SCIENCE TECHNOLOGIES the WORLD seeks, with our Center of Excellence in Singapore for PEOPLE, INNOVATIONS, PRODUCTS, SERVICES, TECHNOLOGIES and SOLUTIONS to our Markets.

Dedicated to serve, Matex has established a network of well-trained sales and marketing professionals with a strong presence in China to support its wide base of global customers. We are widely recognized for our strength in providing excellent technical support services in order to satisfy our customers' ever changing needs. Across the years we have been awarded with numerous accolades for our efforts. Matex had been constantly ranked as one of China's top chemical companies and of recent we were recognized as Singapore Specialty Chemicals Company of the Year for our contributions.

Matex makes a concerted effort to integrate environmental and social concerns into business operations, ensuring a balanced and sustainable development of our businesses. Our world famous Megafix® reactive dye series is a testimonial of our ability to constantly develop unique, innovative products and services by combining the latest technologies through continuous research and development, with our intimate knowledge and business experience. We strive to add value to our customers' products, for higher quality, better performance, price competitiveness and eco-friendliness to achieve long term 'win-win' strategic partnerships.

# OUR VISION

To be a world-class integrated service provider in clean colour science technologies the world seeks, with our center of excellence in Singapore for people, innovations, products, services, technologies and solutions to our markets.

# OUR MISSION

To meet to excel as a global competent solutions provider with pools of innovative talents ready to explore business opportunities and to deliver credible and sustainable business growth.

## **OUR** VALUES

We are customer-focused for full satisfaction and we aim to be ontarget to the right needs, provide on time delivery on-demand for the highest and consistent quality at affordable prices.

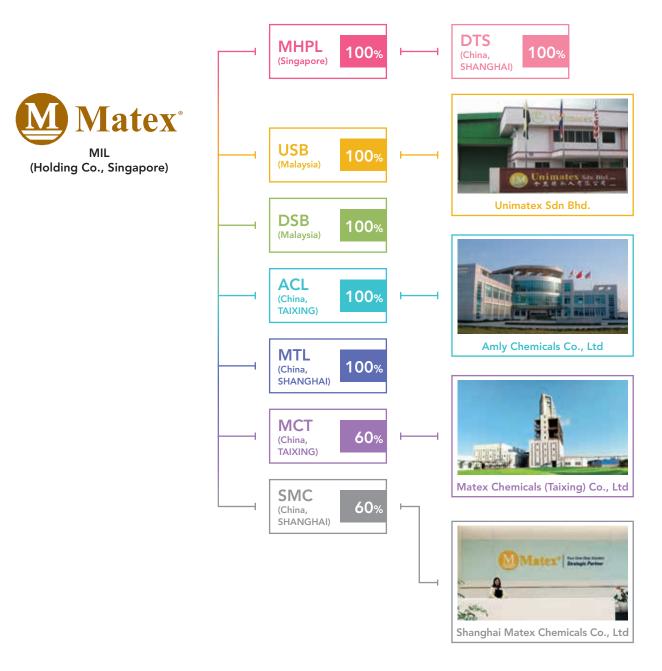

# OUR PROMISE

To meet the needs of our customers we value add through competitive and innovative viable solutions. The needs of our employees – with our corporate values.

The needs of our stakeholders – with healthy returns.

And the needs of our environment – by being sustainable.

#### Dear Shareholders,

#### 2020: RESTORING CONFIDENCE

Kudos for coming out of 2020 with much fortitude! 2021 hopefully enters us into a phase of recovery to try and best restore confidence and normality to our lives.

Based on the recent IMF World Economic Outlook Update, despite recent vaccine approvals that have raised hopes of a turnaround in the pandemic later this year, renewed waves and new variants of the virus continue to pose concerns for the outlook. Amid exceptional uncertainty, the global economy is projected to grow 5.5 percent in 2021<sup>1</sup>.

In this context and amidst ongoing global uncertainties, Matex continues to draw deeply on its experiences, and tap widely from its partner networks and current platforms to continue to navigate towards sustainable business growth needs.

With the focus and increasing need for Personal Protection Equipment (PPE) in public and Athleisure wear to cater to work from home, Matex has quickly fine-tuned its product range offerings to meet these new demands. Matex had applied to be on the list of essential services during the lock down in Singapore, and was working alongside with other Singapore companies to support the nation's efforts in mask making and distribution. As such, Matex has continued to imbue its key products like dyes, water repellent chemicals and anti-viral, anti-microbial chemicals across various textile materials.

During the year, Matex continued its concerted efforts to raise its global profile and give back to society. Many of the activities that the group had done can be viewed in the link below.

Please visit: - <a href="http://www.matex.com.sg/en/news\_2020">http://www.matex.com.sg/en/news\_2020</a>

Some key highlights include:

Megapro ECO® continued push to key experts and practitioners in the field of sustainability for textile and manufacturing across the fashion value chain. Megapro ECO® (patent pending) is a system which eliminates the need for salt in exhaust dyeing of cellulosics, which can potentially impact up to 50% of global demand.

This is a meaningful environmental revolution which Matex is very excited to be a part of and is working closely with its global strategic brands, partners and customers to swiftly implement in view of the pressing issues of climate change and to target the UN Sustainable Development Goals ("SDGs").

GOAL 3: Ensure healthy lives and promote well-being for all at all ages

GOAL 6: Ensure availability and sustainable management of water and sanitation for all

GOAL 11: Make cities and human settlements inclusive, safe, resilient and sustainable

GOAL 12: Ensure sustainable consumption and production patterns

The SDGs define global sustainable development priorities and aspirations for 2030 and seek to mobilise global efforts around a common set of goals and targets. The SDGs call for worldwide action

among governments, businesses and civil society to end poverty and create a life of dignity and opportunity for all, within the boundaries of the planet.

Matex completed its surveillance audit and continues to grow as a **Bluesign® System** International Partner, committed to support Bluesign's vision to manage inputs and responsible actions. The **Bluesign® System** unites the entire textile supply chain to jointly reduce its impact on people and the environment.

Matex's products are approved by Intertek's Green Leaf Mark Environmental Certification, which places strong emphasis on the ban of hazardous Azo Dyes and effects limits on extractable heavy metal content.

Matex is a regular member partner at Ecological and Toxicological Association of Dyes and Organic Manufacturers Pigments ("ETAD"). It was founded in 1974 as an international organisation of Responsible Companies. ETAD's Code of Ethics, which is based on the principles of responsible care, complies with all national and international chemical regulations. It bases its position on sound science. internal industrial know-how and constantly updated regulatory information. Matex chaired the 4th China Operating Committee ("ChOC") of ETAD in Shanghai to align common goals for safety and the environment. The committee focuses on local activities and collaborates with regulatory bodies on all legislation developments affecting the colorant industry.

Matex is **OEKO-TEX® ECO PASSPORT Certified**, which ensures its products meeting the stringent statutory requirements. The **ECO** 

PASSPORT certification can be used as a credible proof for sustainable textiles and leather production for both brands and manufacturers. The chemicals certified in accordance with the ECO PASSPORT have been tested for the presence of harmful substances in critical concentrations as listed in the ECO PASSPORT standard. The certification also gives transparent proof that the treated articles meet the criteria for ecologically responsible textile manufacture.

Continuing our efforts as a responsible global corporate citizen, we actively champion a growing diverse range of programmes and initiatives to give back to society as part of our ongoing corporate social responsibility ("CSR") initiatives. Some of these highlights in 2020 include:

- 1) working with various social enterprises like WateROAM and start-up communities and companies on various projects which include developing and delivering suitable products to poverty and disaster struck areas and places, and forging innovative solutions to treat and provide clean drinking water.
- 2) releasing its 2020
  Communication on Progress
  Report ("COP") on the UN
  Global Compact Website. We
  are constantly on the lookout for
  better ways to reduce our impact
  on the environment by lowering
  carbon emissions and improving
  energy efficiencies in our daily
  operations.
- 3) continuing to pledge its commitment to Fair Employment Practices under the framework of Tripartite Alliance for Fair & Progressive Employment Practices ("TAFEP") organised

- and endorsed by Ministry of Manpower of Singapore, National Trade Union Congress and Singapore National Employers Federation.
- 4) worked with Singapore University of Technology & Design (SUTD) DYNAMIC ASSEMBLIES LAB in the Knit Color Relief installation using Megafix® Dyes. Megafix® Dyes are Matex's award winning Megafix® dyes, Megafix ECO®, and Megapro(tm) ECO Sustainable Colors. The innovative and environmentally friendly textile dyeing process eliminates the need for salt and requires less water, energy, and effluent treatment than conventional reactive dyestuff. This collaborative effort with Textile and Fashion Federation, Lenzing (Tencel) and SUTD (DYNAMIC ASSEMBLIES LAB), is now displayed and featured at the cocoon space @ Design Orchard.

5) working closely with MINDS to Support MINDS Craft through Megapro RE Dyes and Solutions. Movement for the Intellectually Disabled of Singapore (MINDS) is a voluntary welfare organisation based in Singapore. It is founded in May 1962 by a group of philanthropists who saw the need to provide equal opportunities for children with intellectual disabilities to receive education and later, to be integrated as contributing and responsible citizens in Singapore. MINDS aims to provide a seamless range of quality services that meets the current and future needs of persons with intellectual disability (PWIDs) and their caregivers, so as to be an anchor player and thought leader in serving PWIDs. To support the act, Matex worked with MINDS Craft, a therapy programme to develop self-confidence and fine motor skills for their clients who enjoyed art, for a Tie-Dye and Batik project using our Megapro RE Dyes and Solutions to engage the inclusive community and to develop marketable products and solutions through craftwork. Craftworks and merchandises can then be made available for sale on Minds Social Enterprise.

## Please visit: - <a href="https://www.se.minds.">https://www.se.minds.</a> org.sg/at-a-glance

6) worked with Singapore Management University (SMU) | Innovate or Dye: How Matex International Innovates Sustainability. Matex International Limited was invited to participate in SMU Open Innovative initiative where the case examines how innovation is actually a process, and explores the ways that Matex weaved sustainability into its overall strategy using innovation as a vehicle. This case is intended for academic use in strategic management, innovation, and sustainability courses.

### REVIEW OF OPERATIONAL RESULTS

#### REVENUE

The Group recorded a total revenue of \$\$24.6m for the full year ended 31 December 2020 ("FY2020"), a drop of \$\$13.7m or 35.7% in the Group's revenue as compared to the corresponding period ended 31 December 2019 ("FY2019") of \$\$38.3m. The decreased in the

revenue for FY2020 was mainly due to the impact of COVID-19 pandemic that has disrupted the Group's business and operations since early 2020.

#### **GROSS PROFIT**

Despite lower revenue in FY2020, gross profit margin has increased from 9.4% in FY2019 to 13.9% in FY2020 mainly due to reclassification of \$\$2.5m idling production cost from cost of sales to general and administrative ("G&A") expenses. The idling production cost was the result of the temporary closure of our factories in the China subsidiaries during the pandemic period. Gross profit for the period reduced by \$\$0.16m from \$\$3.59m in FY2019 to \$\$3.43m in FY2020.

#### **NET OPERATING EXPENSES**

Due to the lower revenue in FY2020, the Group recorded a decrease of \$\$0.3m in selling and distribution expenses and a decrease of \$\$2.1m in G&A expenses as compared to FY2019. The decline in G&A expenses was mainly due to write back of provision for inventory of \$\$0.4m, lower allowance for inventory obsolescence of \$\$0.4m, lower salaries, wages, and staffs related expenses of \$\$1.0m, and lower office expenses of \$\$0.3m.

However, the Group recorded an increase of S\$2.0m in other operating expenses which was mainly due to the impairment of PPE and right-of-use assets of \$\$3.1m and impairment of intangible assets of S\$0.2m arising from the lower recoverable amount than carrying value on the non-current assets of its subsidiaries in China as a result of the lower revenue and longer economic recovery following the COVID-19 pandemic. The increase in other operating expenses was partially offset by the lower impairment of right-of-use assets of S\$1.3m.

Overall, the net operating expenses remained relatively unchanged in FY2020 of S\$12.9m as compared to S\$12.8m in FY2019.

Other operating income included government financial grants (Jobs Support Scheme) of S\$316k in FY2020.

#### **NET FINANCIAL EXPENSE**

The Group recorded a net finance expenses of S\$508k in FY2020, as compared to an amount of S\$511k in FY2019.

#### TAX

Taxation is in line with profits made by profitable subsidiaries in China and Malaysia.

#### **NET RESULTS**

As a result of the above, the Group registered a loss before tax of \$\$9.9m for FY2020 as compared to loss before tax of \$\$9.7m for FY2019. The loss for the period attributable to owners of the Group is approximately \$\$6.4m in FY2020, as compared to \$\$6.2m in FY2019.

#### FINANCIAL POSITION

The Group's property, plant and equipment ("PPE") including the land use rights and right-ofuse assets were at S\$10.1m and S\$13.5m as at 31 December 2020 and 31 December 2019 respectively. The reduction in PPE was mainly attributable to the depreciation and amortisation charges of S\$1.7m, impairment of non-financial assets of \$\$3.1m due to lower recoverable amount than carrying value on the non-current assets of the subsidiaries in China and this was partially offset by a capital expenditures of S\$344k, which was used to upgrade old machines and automate part of the production facilities, recognition of right-of-use assets for office rental as per SFRS 116 of S\$0.6m, and S\$0.5m of forex translation on PPE.

Intangible assets were reduced by S\$0.3m mainly due to impairment of S\$0.2m due to lower recoverable amount than carrying value.

Long term prepaid and deferred expenses have decreased by \$\$129k as at 31 December 2020, which was mainly due to the expensing off accessories for laboratory use.

Inventories were at \$\$10.4m as at 31 December 2020 and \$\$12.2m as at 31 December 2019. The decline in inventories was in line with the decrease in revenue recorded for the year.

Current and non-current trade and notes receivables has decreased from \$\$8.8m as at 31 December 2019 to \$\$4.8m as at 31 December 2020, mainly due to the reduction in sales.

Other receivables have reduced by \$\$0.2m to \$\$1.3m as at 31 December 2020, in line with the reduction in sales.

Prepayment has increased by \$\$0.2m to \$\$0.6m as at 31 December 2020 from \$\$0.4m as at 31 December 2019, mainly due to advance payment to suppliers.

Cash and cash equivalents for the period increased from \$\$3.2m as at 31 December 2019 to \$\$4.5m as at 31 December 2020. The increase in cash was mainly due to the \$\$6.1m loans and borrowings obtained by our subsidiaries, and funds raised from the rights issue of \$\$1.2m which was partially offset by cash used in operations and repayment of loans and borrowings.

Trade payables has reduced from \$\$6.3m as at 31 December 2019 to \$\$2.5m as at 31 December 2020. The decrease in trade payables was in line with the reduction in sales.

Other payables and accruals have decreased from \$\$5.8m as at 31 December 2019 to \$\$5.1m as at 31 December 2020, mainly due to lower accrual of salary and bonus, and audit fee.

Term loan has increased from \$\$6.2m as at 31 December 2019 to \$\$10.5m as at 31 December 2020. This was mainly due to the increase in loans and borrowings of \$\$6.1m which was used mainly as working capital and for financing of purchases made in the ordinary course of business, and partially offset by repayment in loans and borrowings.

Overall, Group's equity as at 31 December 2020 was at \$\$13.9m, a reduction of approximately of \$\$7.7m or 35.6% compared to \$\$21.7m as at 31 December 2019. This was mainly resulted from the loss incurred during FY2020.

#### **CASH FLOW POSITION**

### NET CASH GENERATED FROM OPERATING ACTIVITIES

In FY2020, approximately S\$4.0m of net cash was used to fund the operating activities, which was a result of operating loss before changes in working capital of S\$4.3m, net working capital inflows of approximately S\$1.0m and net interest and tax expense of S\$0.7m.

### NET CASH USED IN INVESTING ACTIVITIES

In FY2020, the Group's net cash outflow from investing activities amounted to approximately S\$578k, which was mainly due to the purchase of property, plant and equipment of S\$690k and partially offset by the proceeds from the disposal of property, plant and equipment of S\$112k.

## NET CASH USED IN FINANCING ACTIVITIES

In FY2020, the Group's net cash inflow from financing activities amounted to approximately S\$5.7m. This was mainly due to the increase in loans and borrowings of S\$6.1m, funds raised through the rights issue of S\$1.2m, reduction in restricted cash of S\$0.3m, and partially offset by loan repayments of S\$1.6m and lease liabilities repayment of S\$0.4m.

#### **FUTURE OUTLOOK**

The prolonged COVID-19 pandemic and slow recovery of the economy continues to have a significant impact on the demand for products within the textile industry.

Globally, government financial assistance and vaccinations programmes are expected to continue to roll out quickly to restore confidence in the markets and help keep companies afloat. The pandemic has deeply changed our lifestyles and how we perceive hygiene and protection. With the world's population growing acutely aware of potential viral transmissions, antiviral textiles and surfaces have become very important. It has thus allowed new reusable healthcare and medical articles like Personal Protection Equipment PPE and Athleisure sectors to grow very quickly with these new demands.

In this context, the Group aims to continue to improve its bottom line by selling higher yielding margin products and service solutions in the above growing sectors to increase its overall profit margins. At the same time, wherever possible we will continue to look into appropriate cost control measures and to buy our raw materials at better prices.

With the above measurements and greater efforts for improvements, barring any unforeseen circumstances, the Group cautiously expects the following: (i) incrementally improving the Group's business value growth for 2021 with better profit margins, (ii) meeting its obligations to banks and creditors, and (iii) sufficient cash flows to meet its operation's needs.

#### **WORDS OF APPRECIATION**

We would very much like to take the opportunity to extend our deepest appreciation to our valued customers, business partners, associates and stakeholders for your kind support and understanding as we navigated through 2020, one of the most challenging times in Matex's history thus far. With your continued unwavering trust, support and confidence, we can best rebound together to develop better sustainable growth and value for all.

To the Matex team, thank you again all for your unwavering commitment, determination and work dedication to the Company. Let's continue to stay vigilant, united and ready to scale even greater heights in the coming years.

Yours sincerely,

Dr John Chen Seow Phun Non-Executive Chairman

**Dr Alex Tan Pang Kee**Chief Executive Officer/
Managing Director

# **BOARD OF**DIRECTORS

Dr JOHN CHEN SEOW PHUN

Non-Executive Chairman & Independent Director

Dr Chen has been our Chairman and Independent Director since 11 July 2003. He was a Member of Parliament ("MP") from September 1988 to May 2006. #### **ABOUT THIS REPORT**

The Group's sustainability report ("Sustainability Report") shows the Group's deep considerations for sustainability issues as part of its strategic formulation and business strategies. It draws from the Economic, Operational, Environmental and Social Performance Statements within the Annual Report.

The Group had its first Sustainability Report in year 2017 and will continue to publish on a yearly basis as part of its Annual Report.

This report sets out the approaches adopted by the Group and the measures it has taken thus far in managing the environmental, social and governance ("**ESG**") aspects of our business operations based on Global Reporting Initiative ("**GRI**") guidelines.

The Sustainability Report focuses on addressing material ESG factors to provide readers with meaningful overview of how sustainability issues are managed, in line with the Singapore Exchange's Listing Rule 711B for listed companies and covers the primary components outline as follows:—.

- Board Statement;
- Sustainability reporting framework;
- Materiality Assessment;
- Policies, practices and performance;
- Targets

#### **BOARD STATEMENT**

We best tackle each challenge with safe, reliable and innovative solutions. We trust our competent local teams to provide sustainable developments for the Group and the communities in which we operate.

We continue to monitor the impact that our business activities or actions may have on the environment and communities because we recognise the importance of healthy ecosystems and social equity. Operating at all times with integrity, trust and reliability continues to be our vision when we manufacture and supply innovative and high-quality products in a manner that minimises impact on the environment.

We deem sustainability as a critical success factor for companies to ensure long-term value creation. The key material ESG factors for the Group have been identified and reviewed by the management of the Group. The board of the Company (the "Board") monitors and oversees the management of these factors and takes them into consideration when determining the Group's strategic direction and policies.

We will continue to pursue good corporate governance and sustainable business practices that better fosters best practices, transparency, accountability and integrity for the long-term sustainability of our business and value creation for our stakeholders and communities.

#### REPORTING FRAME WORK, PERIOD AND SCOPE

This report particularly articulates the economic and operational, governance, and social issues that affect our group of companies in general during the fiscal period of 1 January 2020 to 31 December 2020.

This report adopted the Framework of Global Reporting Initiative (GRI) Sustainability Reporting Standards, a Standard which is aligned with international standards and normative frameworks. The information and data are reported in good faith even as the Group continues to strengthen its data collection processes.

#### MATERIALITY ASSESSMENT

#### **Economic & operational factors**

Retention of customers

Customer retention continues to be the Group's key focus for its business sustainability and to drive sales growth.

Notwithstanding our low production volumes affected as a result of the COVID-19 pandemic and lockdowns in 2020, the Group expects to gradually see the positive return of existing customers as a result of its ongoing effort to sustain good rapport with customers to gain back its market share.

Improvement of productivity efficiencies

Waste arising in production processes can have a significant effect on profitability and therefore it is necessary to eliminate wastage in raw materials and wastage of time in the case of man and machine hours etc.

In year 2020, the Group, with its improved production facilities and automation, continues to test, develop and purchase better raw materials to ensure greater quality and a more complete production cycle. This is with the aim of reducing wastage output and recycling discharge where possible, and to continue to optimise utilisation of man and machine hours for the long term.

The Group has in place a progressive and flexible system to reward and publicise any good production efficiency improvement ideas and waste-reduction efforts by its employees. For example, staff and workers have a creativity scoring portion in their current monthly KPA/KPIs to emphasis the need to innovate new ideas.

Strategic partnership

During the year, the Group continued to work closely with its global strategic brands, partners and customers to launch its range of eco-friendly products like **Megapro ECO®**, **Supergard®**, **HEIQ Viroblock®** where it received positive feedback.

The Group expects better gross margins to be achieved through higher selling prices as the economy recovers and better control over the cost of production, mainly attributed to its optimum cost savings on raw materials purchased by way of centralised procurement. The Group will continue with its centralised procurement if it continues to be cost effective.

#### **Environmental factors**

#### Reduce and reuse

The Group continues to fully embrace the concept of waste minimisation across the supply chain. It strives to minimise waste within its operations. Reduction of waste not only reduces its impact on the natural environment, but it also creates savings on raw material costs.

#### Wastewater treatment

As a dye and chemical company, environmental protection is certainly a key and crucial issue to us. As a responsible corporation, we ensure the wastewater generated from our production processes, is properly treated before discharging them.

Not only do we play our part to minimise the impact on the environment, but we also hope to spread our efforts to other stakeholders up and down our value chain. The Group has put in place novel membranes to treat high salt content wastewater in textile dyeing, with its expected operating pressure much lower than those of similar membranes available in the market. This saves time, energy and cost of the treatment

The Group aims to make and commercialise such system solutions starting with implementing and testing them at its own Matex Chemicals (Taixing) plant and a few close partners for 2020/2021. Once the COVID-19 situation stabilises, the Group aims to further push on with more marketing efforts, to complement its product offerings and provide an integrated solution to customers who face ever increasing challenges in their own wastewater treatment needs.

#### Reduction in carbon emissions

The Group released its **2020** Communication on Progress Report ("COP") on the UN Global Compact Website. It is constantly on the lookout for better ways to reduce its impact on the environment by lowering carbon emissions and improving energy efficiencies in its daily operations.

By switching from coal to natural gas, a more environmentally friendly fuel, the Group has achieved reduction in our carbon emissions. Not only does it provide workers with a cleaner working environment, our products have thus lower carbon footprint which helps customers achieve better results and their carbon neutrality aspirations.

Environmental goals set in 2020 and to aim and review by 2025: -

- Energy consumption to be cut by up to 30%;
- Direct CO<sup>2</sup> emissions to be reduced by up to 45%;
- Water usage to be reduced by up to 25%;
- Volume of effluents to be reduced by up to 40%; and
- Volume of waste to be reduced by up to 45%.

With the centralised automated monitoring systems installed to better control loading quantities, time and temperature for reaction settings, and the plans to use natural gas powered spray towers more efficiently to continuously concentrate and deliver product output on a consolidated product range, the Group has transformed the previously manual monitoring, additions and batch wise production to a more pro-active and online operating platform for our factories to work towards the goals set above.

Further to the above initiatives, through better planning and by reducing the need to keep rewashing the towers and production vessels, with dedicated colour lines, such as black, red, yellow and blue set as priorities, along with waste treatment units installed at each synthesis factory building units, the gathered concentrated waste are recycled and circulated back into the production system to be reused. Thereby, this cuts down the total amount of waste passed into the final treatment tanks like before, reducing stress, load and cost to our internal waste treatment plant.

#### Eco-friendly products

The Group continues to keep customers abreast of the latest technologies and comply with the required global standards. We have developed a wide range of products which entail the use of less resources like water and electricity. The Group continues to receive positive feedback on its eco-friendly product ranges, **HEIQ Viroblock®** anti-viral finish, **Supergard®** oil and water Repellent, **Megapro ECO®**, a system comprising a range of products which fully eliminates the need for salt in exhaust dyeing. Such products enhance customers' business continuity as it results in lesser utility usage and lower ecological carbon footprint. With the increased worldwide awareness of environmental protection, the Group continues to innovate more eco-friendly products to better serve customers' needs.

#### Social factors

Compliance of industrial standards

The Group continues its commitment to meet the industry's best practices and ensures that its business conforms to the requirements and standards.

Matex is OEKO-TEX® ECO PASSPORT Certified, which ensures its products meeting the stringent statutory requirements. The ECO PASSPORT certification can be used as a credible proof for sustainable textiles and leather production for both brands and manufacturers. The chemicals certified in accordance with the ECO PASSPORT have been tested for the presence of harmful substances in critical concentrations as listed in the ECO PASSPORT standard. The certification also gives transparent proof that the treated articles meet the criteria for ecologically responsible textile manufacture.

The Company is a regular member partner at Ecological and Toxicological Association of Dyes and Organic Pigments Manufacturers ("ETAD"). ETAD was founded in 1974 as an international organisation of Responsible Companies. ETAD's Code of Ethics, which is based on the principles of responsible care, complies with all national and international chemical regulations. It bases its position on sound science, internal industrial know-how and constantly updated regulatory information. The Company chaired the 4th China Operating Committee ("ChOC") of ETAD in Shanghai to align common goals for safety and environment. The committee focuses on local activities and collaborates with regulatory bodies on all legislation developments affecting the colorant industry.

The Group continues to be a partner of **Bluesign® System** and is committed to support Bluesign's vision to manage inputs and responsible actions. The Bluesign® System unites the entire textile supply chain to jointly reduce its impact on people and the environment.

The Group continues to be a member of the Zero Discharge of Hazardous Chemicals ("ZDHC") and is committed to the goals of ZDHC. In the ZDHC Joint Roadmap, Version 2, ZDHC member brands are committed to define and develop a Manufacturing Restricted Substances List ("MRSL") for the apparel and footwear industry. The ZHDC MRSL addresses hazardous substances potentially used and discharged into the environment during manufacturing and related processes, not just substances that could be present in finished products.

The ZDHC MRSL is a list of chemical substances that are subjected to a usage ban. This means that the MRSL-listed chemical substance or group of substances may not be used to achieve a desired function or effect during production of the raw material or product (that is, no intentional use). Due to the existence of manufacturing impurities in chemical formulations, a minor or trace amount of the restricted substance is permitted within defined concentration limits. Chemical formulations containing restricted substances that exceed these limits are not compliant with the MRSL.

Restricted substances and groups of substances according to ZDHC MRSL (details on chemicals and individual limits see MRSL) are:

- Alkylphenol (AP) and Alkylphenol Ethoxylates (APEOs)
- Chlorobenzenes & Chlorotoluenes
- Chlorophenols
- Dyes Azo (Forming Restricted Amines)
- Dyes Navy Blue Colorant
- Dyes Carcinogenic or Equivalent Concern
- Dyes Disperse (Sensitizing)
- Flame Retardants
- Glycols
- Halogenated Solvents
- Organotin Compounds

- Polycyclic Aromatic Hydrocarbons (PAHs)
- Perfluorinated and Polyfluorinated Chemicals (PFCs)
- Phthalates including all other esters of ortho-phthalic acid
- Total Heavy Metals
- Volatile Organic Compounds (VOC)

Compliance of law and regulation

Regulatory compliance is of importance for business continuity. It also serves to foster trust among stakeholders. Just as a positive reputation is likely to encourage stakeholders to maintain and deepen relationships, the converse can ultimately undermine the financial performance of the Group.

As a responsible corporate citizen, the Group will continue to observe all regulatory requirements within the Group.

Employment and retention of employee

The Group continues to pledge its full commitment to Fair Employment Practices under the framework of TAFEP (Tripartite Alliance for Fair & Progressive Employment Practices) organised and endorsed by Ministry of Manpower of Singapore, NTUC (National Trade Union Congress) and SNEF (Singapore National Employers Federation).

It recognises that it is important to provide a safe and conducive working environment for employees. The Group's standardised company-wide policy includes the maintenance of a comprehensive set of work safety management systems. These include procedures for operation of machinery, occupational health and safety practices, emergency rescue plans, environmental protection practices. Our operations have management systems that are following the ISO 14001, ISO 9001 and OHSAS 18001:2007 standards.

Fair and equitable employment, merit and the performance of individuals without discrimination of race, gender, age or religion, remain our recruitment and promotion selection and/or scoring criteria.

#### STAKEHOLDER ENGAGEMENT

The Group continues to stay engaged with stakeholders where it deems highly relevant to the sustainable developments of the Group and a prerequisite for its long-term sustainable growth.

The Group continues to actively communicate and interact with stakeholders during the course of its daily operations to understand and address the demands and concerns of all parties. In addition to meeting stakeholders, the senior management also participates in conferences and exchanges with the Associations in order to contribute to different areas of the industry, as well as to stay abreast of industry trends. Such communications play a vital role in Group-wide decision-making processes.

Below table summarised the information on communications the Group has with the different group of stakeholders.

Stakeholders	Topics concerned	Communication channels	Frequency per year		
Customers	<ul> <li>Production quality and improvements;</li> <li>Operations in compliance with applicable laws and regulations;</li> <li>Customer support;</li> <li>Financial performance</li> </ul>	<ul> <li>Customer visits or meetings;</li> <li>Industry exhibitions;</li> <li>Quarterly or half yearly business review;</li> <li>Customer service hotline and email</li> </ul>	<ul><li>As required</li><li>Yearly</li><li>Quarterly or half year</li><li>As required</li></ul>

#### **OUR SUSTAINABILITY PROGRESS AND TARGETS**

#### Product, cost cutting and process innovation

In addition to streamlining its production processes, to improve efficiency and to eliminate unnecessary steps without undermining the quality of the products, the Group has implemented an E-Commerce system, **YONYOU NC System** ("**NC**") to synchronise its operation process and provide real time information to users.

NC has helped the Group to streamline its operation and substantially improve its turnaround time, thus increasing customer satisfactions as a result. In addition, it also helps to reduce redundant man hours by relying less on workers and thus lead to cost-saving efficiencies.

We expect further efficiencies to be seen as the Group adopts NC for all its modules which include manufacturing, operations, supply chain, finance and E-commerce. By implementing this system, the Group is becoming more digitised and is expected to uncover more opportunities to reach out to more customers for business growth, which may have otherwise been left unknown to the sales teams due to geographical reasons. It presents an economical method of reaching out to a large targeted audience with high degree of efficiencies.

Other benefits, amongst others, include improved real-time interaction with customers, generating accurate and valuable insights, better inventory management, accessing new customer segments, higher productivity, and better resource allocation. It has become easier and more efficient for users to collect data from all departments within the group from all regions, which yields faster and more accurate information. It helps to streamline business operations to deliver competent and relevant solutions to customers' enquiries, which results in higher chances of closing deals. By giving a better macro view of the pending order list, it will enhance effective forecasting and efficient business decisions.

We will hope to fully migrate and integrate the entire group operation system onto NC by 2021 and phase out other current systems used in parallel during the transition stages.

#### **Environmental protection**

Along with the development of its wastewater treatment solution systems, and distribution of the HEIQ Viroblock in a post pandemic world, the Group continued its efforts with Megapro ECO®, a system which eliminates the need for salt in exhaust dyeing of cellulosics. This is an environmental revolution and during the year, it commenced marketing with its global strategic brands and business partners with the aim to become the first player in the industry with this innovation. **Megapro ECO®** can potentially impact up to 50% of global demand.

This is a meaningful environmental revolution which Matex is very excited to be a part of and is working closely with its global strategic brands, partners and customers to swiftly implement in view of the pressing issues of climate change and to target the UN Sustainable Development Goals ("**SDGs**").

GOAL 3: Ensure healthy lives and promote well-being for all at all ages

GOAL 6: Ensure availability and sustainable management of water and sanitation for all

GOAL 11: Make cities and human settlements inclusive, safe, resilient and sustainable

GOAL 12: Ensure sustainable consumption and production patterns

The SDGs define global sustainable development priorities and aspirations for **2030** and seek to mobilise global efforts around a common set of goals and targets. The SDGs call for worldwide action among governments, businesses and civil society to end poverty and create a life of dignity and opportunity for all, within the boundaries of the planet.

In addition, the Group's products are approved by **Intertek's Green Leaf Mark Environmental Certification**, which places strong emphasis on the ban of hazardous Azo Dyes and effects limits on extractable heavy metal content.

The Group is committed to sustainable environmental practices, which plays a critical role in preserving, protecting and improving the environment. It will nevertheless continue to seek for ways to improve its environmental protection capabilities.

We look to further improve and streamline our current certification plans in 2021 with ZDHC, and link up our current Bluesign® System and OEKO-TEX® ECO PASSPORT certifications with the ZDHC for better sales and marketing transparencies of our products for our global customers.

#### Community investment

The Group believes corporate social responsibility ("**CSR**") should also include giving back to the community. It continues to participate in various projects to support education, employability as well as uplifting social causes.

Continuing in our efforts as a responsible global corporate citizen, we actively champion a growing diverse range of programmes and initiatives to give back to society as part of our ongoing CSR initiatives.

Some of these highlights in 2020 include:

- working with various social enterprises like WateROAM and start-up communities and companies on various projects which include developing and delivering suitable products to poverty and disaster struck areas and places, and forging innovative solutions to treat and provide clean drinking water.
- worked with Singapore University of Technology & Design (SUTD) DYNAMIC ASSEMBLIES LAB in the Knit Color Relief installation using Megafix® Dyes. Megafix® Dyes are Matex's award winning Megafix® dyes, Megafix ECO®, and Megapro<sup>(TM)</sup> ECO Sustainable Colors. The innovative and environmentally friendly textile dyeing process eliminates the need for salt and requires less water, energy, and effluent treatment than conventional reactive dyestuff. This collaborative effort with Textile and Fashion Federation, Lenzing (Tencel) and SUTD (DYNAMIC ASSEMBLIES LAB), is now displayed and featured at the cocoon space @ Design Orchard.

Please visit: - https://dal.sutd.edu.sg/knit-color-relief/

3) working closely with MINDS to Support MINDS Craft through Megapro RE Dyes and Solutions. Movement for the Intellectually Disabled of Singapore (MINDS) is a voluntary welfare organisation based in Singapore. It is founded in May 1962 by a group of philanthropists who saw the need to provide equal opportunities for children with intellectual disabilities to receive education and later, to be integrated as contributing and responsible citizens in Singapore. MINDS aims to provide a seamless range of quality services that meets the current and future needs of persons with intellectual disability (PWIDs) and their caregivers, so as to be an anchor player and thought leader in serving PWIDs. To support the act, Matex worked with MINDS Craft, a therapy programme to develop self-confidence and fine motor skills for their clients who enjoyed art, for a Tie-Dye and Batik project using our Megapro RE Dyes and Solutions to engage the inclusive community and to develop marketable products and solutions through craftwork. Craftworks and merchandises can then be made available for sale on Minds Social Enterprise.

Please visit: - https://www.se.minds.org.sg/at-a-glance

4) worked with Singapore Management University SMU | Innovate or Dye: How Matex International Innovates for Sustainability. Matex International Limited was invited to participate in SMU Open Innovative initiative where the case examines how innovation is actually a process, and explores the ways that Matex weaved sustainability into its overall strategy using innovation as a vehicle. This case is intended for academic use in strategic management, innovation, and sustainability courses.

Please visit: - https://cmp.smu.edu.sg/case/4506

We will continue to look out in 2021 for suitable opportunities to actively be involve in the communities we touch.

#### **GOVERNANCE**

#### Corporate governance

To ensure the independence of the Board of Directors ("BOD"), transparency in the BOD operations as well as to safeguard stakeholders' interest and maximising their long-term values, the Group continuously updates and improves the company's policies and procedures.

For the financial year ended 31 December 2020, the company has generally adhered to the framework as set out in the Singapore Corporate Governance Code 2018 issued on 6 August 2018.

You may refer to Corporate Governance Report of this Annual Report for more details for our Corporate Governance practices.

We are committed to continue to maintain the high standards of our corporate governance.

The board of directors (the "Board") and the management (the "Management") of Matex International Limited (the "Company") and its subsidiaries (the "Group") are committed to achieving high standards of corporate governance to ensure investor confidence in the Group as a trusted business enterprise. The Board and the Management of the Company continues to uphold good corporate governance practices to enhance long-term sustainability of the Group's business, performance, and shareholders' interest.

This Report describes the Group's corporate governance structures and practices adopted by the Group for financial year ended 31 December 2020 ("FY2020"), with specific reference made to the principles and provisions of the Code of Corporate Governance 2018 (the "Code") and accompanying Practice Guidance issued in August 2018, which forms part of the continuing obligations of the Singapore Exchange Securities Trading Limited ("SGX-ST") Listing Manual Section B: Rules of Catalist (the "Catalist Rules")

The Board is pleased to confirm that for the FY2020, the Group has adhered to the principles and provisions as set out in the Code, and where appropriate, the explanations for deviation from the Code has been provided in this report.

- A. BOARD MATTERS
- B. REMUNERATION MATTERS
- C. ACCOUNTABILITY AND AUDIT
- D. SHAREHOLDER RIGHTS AND ENGAGEMENT
- E. MANAGING STAKEHOLDERS RELATIONSHIP
- A. BOARD MATTERS

The Board's Conduct of its Affairs

Principle 1: The Company is headed by an effective Board which is collectively responsible and works with Management for the long-term success of the Company.

#### Provision 1.1. - Principle Duties of the Board

The Board assumes responsibility for stewardship of the Company and the Group and is primarily responsible for the protection and enhancement of long-term value and returns for the shareholders. It has oversight responsibility over the management of the business and affairs of the Group. The Board also sets the tone for the Group where ethics and values are concerned.

The Company is headed by an effective Board which comprises five (5) Directors (the "**Directors**") of whom the Chairman is an Independent and Non-Executive Director, two (2) are Executive Directors and the other remaining (2) are Independent Directors. Together, the Directors command a wide range of business, legal and financial experience that collectively contribute to the success of the Group. The Board oversees the business activities, overall management, formulate strategic direction and performance of the Group and is primarily responsible for the protection and enhancement of long-term value and returns for shareholders.

Besides its statutory responsibilities, the Board also:

- 1. provides entrepreneurial leadership, and guidance on the overall strategic direction, oversees the proper conduct of the business, performance and affairs of the Group and ensures that the necessary financial, human and operational resources are in place for the Group to meet its objectives;
- 2. sets objective performance criteria to evaluate the Board, individual Directors and Board Committees' performance and succession planning process;
- 3. reviews the adequacy and effectiveness of the Group's risk management and internal controls framework including financial, operational, compliance and information technology controls and establishing risk appetite and parameters to safeguard shareholders' interests and the Group's assets;
- 4. reviews and approves key operational and business initiatives, major funding proposals and other corporate actions, significant investment and divestment proposals, including determining the Group's operating and financial performance, the Group's annual budgets and capital expenditure, release of the Group's half-year and full-year financial results and other strategic initiatives proposed by Management;
- 5. approves all Board appointments/re-appointments and appointment of Managing Director/Chief Executive Officer ("CEO&MD") and other persons having authority and responsibility for planning, directing and controlling the activities of the Company ("Key Management Personnel" or "KMP"), evaluates their performance and reviews their remuneration packages;
- 6. establishes goals and priorities for Management and reviews Management's performance by monitoring the achievement of these goals;
- 7. approves the nominations for the Board by the Nominating Committee;
- 8. reviews recommendations made by the Audit Committee on the appointment, re-appointment or removal of Group Chief Financial Officer, external and Internal auditors;
- 9. reviews recommendations made by the Remuneration Committee and approves the remuneration packages for the Board and KMP;
- 10. identifies the key stakeholder groups and recognises that their perceptions affect the Company's reputation;
- 11. sets the Company's values and standards (including ethical standards), and ensures that obligations to shareholders and other stakeholders are understood and met; and
- 12. considers sustainability issues, e.g. environmental and social factors, as part of its strategic formulation.

#### Independent Judgement

All Directors exercise due diligence and independent judgment in dealing with the business affairs of the Group and are obliged to act in good faith and to take objective decisions in the interest of the Group. The Directors on the Board have the appropriate core competencies and diversity of experience that enable them to contribute effectively. They are able to objectively raise issues and seek clarification as and when necessary from the Board and the Management on matters pertaining to their area of responsibilities and actively help the Management in the development of strategic proposals and oversees the effective implementation by the Management to achieve the objectives set. The Board puts in place a code of conduct and ethics, set appropriate tone-from-the-top and desired organisation culture and ensure proper accountability within the Company.

#### Conflict of Interest

Every Director of the Company is required to disclose any conflict or potentially conflict of interest, whether direct or indirect, in relation to a transaction or proposed transaction with the Group as soon as practicable after the relevant facts have come to his/her knowledge. On an annual basis, each Director is also required to submit details of his/her associates for the purpose of monitoring interested persons transactions. When there is an actual or potential conflict of interest, the concerned Director shall, abstain from voting, and not involve in discussion or decision making, on the conflict related matters.

#### Provision 1.2 - Directors' Orientation and Training

All newly-appointed Directors attend an orientation programme to familiarise themselves with the Group's business, operations and governance practices. The Board of Directors have the opportunity to visit the Group's China plants and meet with the Management to gain a better understanding of the Group's business operations. In addition, Directors are provided with the contact numbers and email addresses of key executives, the Company Secretary and Auditors to facilitate efficient and direct access. To keep pace with a fast-changing regulatory environment, the Board is kept informed of any relevant changes to legislation and regulatory requirements. Directors and Management also attend courses to keep abreast of changes in the law and governance matters that may affect the Group. The Board values ongoing professional development and recognises the importance that all Directors receive regular training so as to be able to serve effectively on and contribute to the Board.

During FY2020, there was no new appointment of director and the Company has no on-going budget for the non-executive and independent directors to attend appropriate courses, conferences and seminars conducted by external professional.

The NC and Board are of the view that training is not required because the Non-Executive and Independent Directors have other relevant experiences and/or currently acting as non-executive director of several Singapore listed companies. The details of the directors' experiences and qualifications are listed on pages 39 to 40 of this Annual Report.

The Board as a whole is updated regularly on risk management, corporate governance, insider trading (if any) and key changes to the relevant regulatory requirements and financial standards, so as to enable them to properly discharge their duties as Board or Board Committee members. Our Independent Directors are also engaged full time in their respective profession, keeping them updated in their fields of knowledge.

In FY2020, the external auditors, Moore Stephens LLP briefed the Audit Committee ("AC") and Board on the developments in financial reporting and governance standards.

#### Provision 1.3 - Board Approval

The Group has adopted internal guidelines governing matters that require the Board's approval which has been clearly communicated to the Management.

The Board approves transactions exceeding certain threshold limits, while delegating authority for transactions below those prescribed limits to Board Committees and specific members of the key management via a structured Delegation of Authority matrix, which is reviewed on a regular basis and accordingly revised when necessary.

The matters require Board's approval include:

- material acquisition and disposal of assets/investments;
- corporate/financial restructurings or corporate exercise;
- incorporation of new entities;
- issuance of shares, declaration of dividend and other returns to shareholders;
- risk appetite and risk tolerance for the different categories of risk;
- nomination of Directors and Key Management Personnel;
- matters as specified under the SGX-ST interested person transaction policy;
- announcement of the Group's half year and full year results and the release of the Annual Reports; and
- any other matters as prescribed under the relevant legislations and regulations, as well as the provisions of the Company's Constitution ("Constitution").

#### Provision 1.4 - Delegation by the Board to Board Committees

To assist in the execution of its responsibilities, the Board had established 3 Board Committees. The Committees are the AC, Nominating Committee ("NC"), and Remuneration Committee ("RC") (collectively, "the Board Committees") and delegates specific areas of responsibilities to these Board Committees. Each of these Board Committees functions within clearly written terms of reference ("TOR"), which have been approved by the Board. The composition of the Board Committees for FY2020 is tabulated below:

Directors	AC	NC	RC
Dr John Chen Seow Phun (" <b>Dr John Chen</b> ")	Chairman	Member	Member
Tan Pang Kee (" <b>Dr Alex Tan</b> ")	_	_	-
Tan Guan Liang	_	_	_
Foo Der Rong	Member	Chairman	Member
Wang Dao Fu	Member	Member	Chairman

The Board Committees have the delegated power to deliberate any issue that arises in their specific areas of responsibilities within their respective TOR and report to the Board with their decisions and/or recommendations. The ultimate responsibility and authority for the decisions and actions on all matters rest with the Board. Each Board Committee's activities and roles are elaborated further in provisions 4.1, 6.1 and 10.1.

# Provision 1.5 – Board Meetings and Attendance Provision 1.6 – Access of Information

The Board and Board Committees meet regularly and whenever necessary to discharge their duties. When required, the Board also sets aside time at the scheduled meetings to meet without the presence of Management. An annual schedule of Board and Board Committee meeting dates is set by the Directors in advance.

Ad-hoc meetings are convened when required to address any significant issues that may arise in-between scheduled meetings. Where physical meetings are not possible, timely communication with members of the Board and Board Committees is achieved through electronic means and circulation of written resolutions for approval by the Board or relevant Board Committees. The Constitution provides that the Directors may conduct meetings by means of telephone or video conference or other methods of simultaneous communication.

All draft agendas for meetings are reviewed by the Chairman of the Board and the Chairman of the respective Board Committees. Papers and/or other information are forwarded to the Directors before each meeting for their review and perusal. Members of Management are invited to attend the meetings to present information and/or render clarification when required. However, sensitive matters may be tabled or discussed at Board meetings without any board papers distributed. Board and Board Committees papers are provided electronically and can be accessed via tablet devices.

Presentations are also made by senior executives on performance of the Group's various businesses and business strategies at these meetings. This allows the Board to have a good understanding of the Group's operations and be actively engaged in robust discussions with the Group's senior executives.

Directors are entitled to request for further explanation, briefings or discussions on any aspect of the Group's operations or business from Management. As and when required, Board members meet to exchange views outside the formal environment of Board meetings. The number of meetings held by the Board and Board Committees and attendance records taken during FY2020 are as follows:

Board Meetings		NC Meeting		RC Meeting		AC Meetings		General Meetings		
Name of Director	No. Held	No. Attended	No. Held	No. Attended	No. Held	No. Attended	No. Held	No. Attended	No. Held	No. Attended

Wang Dao Fu	2	2	1	1	1	1	3	3	2	2

<sup>\*</sup> By invitation

#### Provision 1.7 - Independent Access to Management and Company Secretary

The Board has separate and independent access to Management and the Company Secretary and where required, can obtain additional information to facilitate informed decision-making. Information provided includes background or explanatory materials related to matters to be reviewed and matters under review by the Board, copies of disclosure documents, budgets, forecasts and internal financial statements. Any material variance between the projections and actual results in respect of budgets, is also disclosed and explained.

Minutes of all Board Committee meetings are circulated to the Board so that Directors are aware of and kept updated as to the proceedings and matters discussed during such meetings.

The Company Secretary attends Board and Board Committees meetings and is responsible for ensuring that Board procedures are observed and that applicable rules and regulations are complied with. The Company Secretary also periodically updates the Board on relevant regulatory changes affecting the Company. The appointment and removal of the Company Secretary is a matter for the Board as a whole.

#### Access to independent professional advice at the Company's expense

The Company has in place the procedure to enable the Directors, whether as a group or individually, to obtain independent professional advice at the Company's expense as and when necessary in furtherance of their duties. Independent advisors include legal, financial, tax, board compensation and M&A functions. The appointment of such professional advisor is subject to approval by the Board.

#### **Board Composition and Balance**

Principle 2: The board has an appropriate level of independence and diversity of thought and background in its composition to enable it to make decisions in the best interests of the Company

Provision 2.1 - Board Independence

Provision 2.2 & 2.3 - Proportion of Non-Executive and Independent Directors

Provision 2.4 - Board Composition & Diversity

Provision 2.5 - Meetings of Non-Executive Directors and Independent Directors

The Board comprises five (5) Directors, three (3) of whom (Including the Chairman) are independent and non-executive Directors (the "Independent and Non-Executive Directors") and two (2) are Executive Directors. Majority of the Board is made up of Independent and Non-Executive Directors, which is in compliance with the Code. The composition of the Board is as follows:

Dr John Chen (Chairman, Independent and Non-Executive Director)
Dr Alex Tan Pang Kee (Chief Executive Officer and Managing Director)
Mr Foo Der Rong (Independent and Non-Executive Director)
Mr Wang Dao Fu (Independent and Non-Executive Director)

Mr Tan Guan Liang (Executive Director)

The NC reviews annually the independence of each Director taking into account the existence relationships or circumstances, including those provided in the Code. Every Non-Executive Director is required to complete a confirmation of independence form drawn up based on the Principal 2 of the Code for the NC review and recommendation to the Board.

Taking into consideration the foregoing, the NC has determined Mr Foo Der Rong, Dr John Chen and Mr Wang Daofu, (who are the majority of the Board) to be independent. Each of these Directors has also confirmed their independence.

The Board concurred with the views of the NC. Each of the Directors abstained from the deliberation of his own independence.

The Company recognises that independent directors may over time develop significant insights in the Group's business and operations and can continue to provide noteworthy and valuable contribution objectively to the Board as a whole. The independence of the independent directors must be based on the substance of their professionalism, integrity, and objectivity, and not merely based on form; such as the number of years which they have served on the Board.

The dates of initial appointment and last re-election of each Director are set out below:

Name of Director	Position	Date of Initial Appointment	Date of last re-election
Dr John Chen	Chairman and Independent and Non-Executive Director	11 July 2003	29 April 2019
Dr Alex Tan	Chief Executive Officer and Managing Director)	23 March 1990	29 April 2019
Mr Foo Der Rong	Independent and Non-Executive Director	10 May 2016	27 April 2018
Mr Wang Daofu	Independent and Non-Executive Director	11 January 2017	29 June 2020
Mr Tan Guan Liang	Executive Director	1 March 2010	29 June 2020

The NC noted that none of the Independent and Non-Executive Directors, save for, Dr John Chen, has served on the Board for 9 or more years from the date of his first appointment. The NC noted that Dr John Chen's long and commendable role on the Board as an Independent Director and as Chairman of the AC and Member of the NC and RC in discharging his duties professionally, ethically and with integrity.

The NC also established that Dr John Chen is independent of management and free from any business or other relationship, which could interfere with the exercise of independent judgement or the ability to act in the best interest of the Company and the following factors were evaluated for this purpose:—

- a. he is not an Executive Director of the Company or any related corporation of the Company;
- b. he is not a 5% shareholder of the Company;
- c. he does not have an immediate family member who is or has been in the past three financial years, employed by the Company or an of its related corporations and whose remuneration is determined by the Company's Remuneration Committee;
- d. he (including his immediate family member) have not accepted any significant compensation from the Company or any of its related corporations for the provisions of services, for the current or immediate past financial year other than compensation for board services;

- e. he (including his immediate family member) have not, in the current or immediate past financial year provided or received from the Company or any of its subsidiaries any significant payments or material services (which may include auditing, banking, consulting, and legal services), other than compensation for board service. As a guide, payments aggregated over any financial year in excess of \$\$50,000 should be deemed significant;
- f. he (including his immediate family member) in the current or immediate past financial year not a substantial shareholder/partner/executive officer of/director of any organisation which provided to or received from the Company or its subsidiaries any significant payments or material services (which may include auditing, banking, consulting and legal services);
- g. he is not a family member of any Executive Director, officer or 5% shareholder of the Company;
- h. he is not acting as a nominee or representative of any Executive Director or 5% shareholder of the Company;
- i. he provides and enhances the necessary independence and objectivity of the Board;
- j. he helps to ensure effective checks and balances on the Board;
- k. he helps to mitigate any possible conflict of interests between the policy-making process and the day-to-day management of the Company;
- I. he constructively challenges and contributes to the development of business strategy of the Company; and
- m. he helps to ensure that adequate systems and controls are in place to safeguard the interests of the Company.

Having considered the above, the NC had determined that Dr John Chen has demonstrated strong independence in character and judgement over the years in discharging his duties and responsibilities as an Independent Director. His continued presence as an Independent Board member will ensure best practices being followed and provide effective oversight and compliance to good corporate governance.

Accordingly, the NC had recommended to the Board that he continues to be considered independent, notwithstanding he has served on the Board for more than nine years from the date of his first appointment. Dr John Chen, being a NC member, abstained from any discussion and voting on the matter. The Board had concurred with the NC's assessment.

As the Company will adopt the two-tier voting process ahead of the Catalist Rule 406(3)(d)(iii) coming into effect on 1 January 2022, Dr John Chen will be subject to the two-tier voting process in connection with the re-election of Dr John Chen and continued appointment as independent director at the forthcoming annual general meeting.

The Board and Board Committees are made up of a team of high caliber leaders whose diverse expertise and experience in accounting & finance, strategic planning, human resource management, business and management, legal and regulatory, and industry knowledge combined provides core competencies necessary to lead and govern the Group effectively. The Directors' objective judgment, collective experience and knowledge are invaluable to the Group and this has allowed for the useful exchange of ideas and views.

The NC reviews the size and composition of the Board and Board Committees of the Company to ensure that the size of the Board and Board Committees are conducive for effective discussions and decision-making and that the Board and Board Committees have the appropriate mix of skills, knowledge and experience as well as an appropriate balance of Independent Directors. The NC, with the concurrence of the Board and Board Committees, consider their current board size appropriate for effective decision-making, taking into account the scope and nature of the Group's operations.

The Independent and Non-Executive Directors exercise objective judgment on the Group's affairs independently from Management. The Independent and Non-Executive Directors also contribute to the Board process by monitoring and reviewing Management's performance against goals and objectives. Their views and opinions provide alternate perspectives to the Group's business. When challenging Management's proposals or decisions, they bring independent judgment to bear on business activities and transactions involving conflicts of interest and other complexities. The Independent and Non-Executive Directors also meet regularly without presence of Management to facilitate more open discussions.

#### Chairman and CEO&MD

Principle 3: There is a clear division of responsibilities between the leadership of the Board and Management, and no one individual has unfettered powers of decision-making.

#### Provision 3.1 - Chairman and CEO&MD should be separate persons

The positions of the Chairman and CEO&MD are separate to ensure an appropriate balance of power, increased accountability and greater capacity of the Board for independent decision-making.

Dr John Chen, an Independent and Non-Executive Director, was appointed as the Chairman of the Board on 11 July 2003 and Dr Alex Tan was appointed as the CEO&MD on 23 March 1990. The Chairman and the CEO&MD are not related.

#### Provision 3.2 - Role of Chairman

The Chairman presides over the business of the Board and monitors the translation of the Board's decisions and directions into executive action. In addition, the Chairman provides close oversight, guidance, advice and leadership to the CEO&MD and senior management. The Chairman also plays a crucial role in fostering constructive dialogue between shareholders, the Board and Management at the Company's General Meeting. The Chairman leads the Company's drive to achieve and maintain a high standard of corporate governance with the full support of the Board, Management and Company Secretary.

The Chairman leads the Board and ensures the effectiveness on all aspects of its role. His responsibilities include, inter alia:

- 1. constructively determining and approving, with the full Board, the Company's strategy;
- 2. ensuring that the Board is properly organised, functioning effectively and meeting its obligations and responsibilities;
- 3. setting the agenda and ensuring adequate time is available for discussion of all agenda items, in particular, strategic issues;
- 4. ensuring that Directors receive complete, adequate and timely information;
- 5. fostering effective communication and constructive relations amongst the Directors, within Board Committees, between shareholders, between the Directors and Management;
- 6. encouraging the constructive exchange of views within the Board and between Board members and Management;
- 7. facilitating the effective contribution of Non-Executive and Independent Directors;
- 8. promoting a culture of openness and debate at the Board level and promoting high standards of corporate governance; and
- 9. establishing a relationship of trust with the CEO&MD.

### Provision 3.3 - Lead Independent Director

Given the independence of the Chairman, separation of roles between the Chairman and CEO&MD, and a strong balance of independent directors on the Board (three (3) of the five (5) Directors are independent), the Board is of the view that there are adequate safeguards and checks in place to ensure the objective assessment of the Group's ongoing affairs. The current structure also facilitates a decision-making process by the Board that is based on the collective decision of all Directors, without any concentration of power or influence residing in any one individual. In view of this, the appointment of a lead independent director is not considered by the Board to be necessary.

### **Board Membership**

Principle 4: The Board has a formal and transparent process for the appointment and re-appointment of directors, taking into account the need for progressive renewal of the Board.

### Provisions 4.1 & 4.2 - NC Composition and Role

### NC

The Board established the NC in April 2004 which comprises three (3) non-executive and independent directors, all of whom including the Chairman of the NC are independent. Please refer to Provision 1.4 above on the names of the members and the composition of the NC.

The NC, which has written terms of reference, is responsible for making recommendations to the Board on all board appointments and re-appointments. The NC's responsibilities include the following:

- (a) make recommendations to the Board on new appointments to the Board;
- (b) make recommendations to the Board on the re-nomination of retiring directors standing for re-election at the Company's Annual General Meeting, having regard to the directors' contribution and performance (e.g. attendance, preparedness, participation and candour);
- (c) ensure that all Directors submit themselves for re-nomination and re-election at regular intervals and at least once in every three years;
- (d) review the size and composition of the Board with the objective of achieving a balanced board in terms of the mix of experience and expertise;
- (e) determine annually whether or not a Director is independent;
- (f) ensure complete disclosure of key information of Directors in the Company's annual reports as required under the Code:
- (g) decide on how the Board's performance may be evaluated and recommend objective performance criteria to the Board;
- (h) report to the Board on its activities and proposals;
- (i) review training and professional development programs for the Board; and
- (j) carry out such other duties as may be agreed to by the NC and the Board.

# Provision 4.3 - Reviewing and recommending nomination for re-appointment of Directors

Under the Catalist Rule 720(4) and the Company's Constitution, all Directors are required to submit themselves for re-nomination and re-election at least once every 3 years; and at least one-third of the Directors for the time being to retire from office by rotation. New Directors appointed during the year are subject to retirement and re-election at the following AGM of the Company.

Dr John Chen and Mr Foo Der Rong are subject to retiring pursuant to Article 89 of the Company's Constitution at the forthcoming AGM of the Company. The retiring Directors, being eligible, had consented to continue in office and would seek re-election at the forthcoming AGM.

Each of these Directors, being interested in the matter, had abstained from all discussions and recommendations in respect of their own re-election. Dr John Chen and Mr Foo Der Rong are considered independent for the purposes of Catalist Rule 704(7) of the SGX-ST.

Having regard to the above and taking into consideration the retiring Directors' attendance, participation and contribution to the business and operations of the Company as well as Board processes, the NC had recommended their nominations for re-election at the forthcoming AGM of the Company. The Board concurred with the NC's recommendation.

Under the Catalist Rule that will come into effect 1 January 2022, the appointment of independent directors who have served an aggregate period of more than nine years will be subject to a two-tier voting process to be approved by the majority of (i) all shareholders and (ii) all shareholders, excluding shareholders who also serve as directors or the CEO (and their associates). The two-tier voting process will be valid for a term of the independent director appointment (up to three years).

Dr John Chen had voluntarily offered himself to be subject to the two-tier voting process. The Company will adopt the two-tier voting process ahead of the Catalist Rule 406(3)(d)(iii) coming into effect on 1 January 2022 and table the respective resolutions proposing the re-election and continued appointment of Dr John Chen as independent director at the forthcoming AGM.

In the event that there is a need to change the structure of the Board, the chairmanship of the Company or the membership of the Board Committees, the NC will review the proposed changes and will make the appropriate recommendations to the Board.

In this regard, the NC will, in consultation with the Board and the Company's professional advisors, examine the existing strengths, and capabilities of the existing Board and the key management personnel. In addition, the NC will also consider the contributions (such as the skills, knowledge and experience) of the existing Directors and the key management personnel as well as taking into account the future needs of the Company. Through this process, the NC, together with the Board, will seek candidates, either through recommendations made by existing Directors or through the Company's professional advisors, who are able to contribute to the Company.

Once the appropriate candidates have been identified, at least two members of the NC will conduct interviews with the potential new Director or key management personnel before recommending their appointments to the Board for approval. If the proposed appointments are approved by the Board, announcements relating to their appointment will subsequently be released via SGXNET.

To ensure that new Directors are aware of their duties and obligations, a formal letter of appointment explaining their duties and obligations as Director is provided to every new Director upon appointment. The formal letter of appointment sets out the time commitment required of the Director and the Director's roles and responsibilities, including disclosure requirements and best practices relating to dealings in securities under applicable laws and regulations.

Information regarding the Directors nominated for re-election/re-appointment, including the information required under Appendix 7F of the Catalist Rules is given in the "Board of Directors" section, pages 56 to 61 of this Annual Report.

# Provision 4.4 - Continuous review of Director's Independence

The NC is guided by the definition and criteria of independence given in the Code in determining if a director is independent.

The NC has annually, and as and when circumstances required, determined if a director is independent bearing in mind the circumstances set forth in Provision 2.1 and any other salient factors of the Code. Any Director who has served on the Board beyond nine years from the date of his first appointment is subject to particularly rigorous review by the NC. In this regard, Dr John Chen has served on the Board for 9 or more years from the date of his first appointment, and accordingly, with the disclosures in Principle 2, the NC is of the view that Dr John Chen continues to be appointed as an Independent Director.

Each Independent Director is required to complete a Confirmation of Independence form drawn up based on the Principle 2 of the Code for the NC's review and recommendation to the Board.

The Board concurred with the NC's view that the three (3) Independent Directors are independent in character and judgement and there were no circumstances which would likely affect or appear to affect their judgement.

During FY2020, there was no appointment of alternate directors on the Board.

## Provision 4.5 - Directors' Commitments

Where a Director has multiple Board representations, the NC will determine if the Director has been able to devote sufficient time and attention to the Company's affairs and if he has been adequately carrying out his duties as a Director. The recommendation of the NC for the nomination of a Director for re-election is then made to the Board. The Board will review this recommendation.

The NC is of the view that the number of directorships a Director can hold and his principal commitments should not be prescriptive as the time commitment for each board membership will vary. The NC will review the number of listed company board representations which each Director holds on an annual basis or from time to time when the need arises. In this respect, the NC believes that it would not be necessary to prescribe a maximum number of listed company board representations a Director may hold. The Board affirms and supports this view.

During the year, the NC had reviewed the directorships and principal commitments disclosed by each Director and was of the view that the existing directorships and principal commitments of the respective Directors have not impinged on their abilities to discharge their duties. The Board concurred with the NC.

The table below – Key Information of Directors, also shows the disclosure of directorships and chairmanships held over the preceding three years in other listed companies as well as other principal commitments of each respective Director:

### Key Information of Directors

Name of director	Academic & professional qualifications	Board Committee as chairman or member	Directorship: Date of first appointment/ Date of last re-election	Board appointment whether executive or non-executive	Due for re-election at forthcoming AGM	Past Directorships in other listed companies and other major appointments over the preceding three years	Present Directorships in other listed companies and other major appointments

### **Board Performance**

Principle 5: The Board undertakes a formal annual assessment of its effectiveness as a whole, and that of each of its board committees and individual directors.

Provision 5.1 - Performance Criteria and Evaluation

Provision 5.2 - Assessment of the Board, Board Committees and Directors

Based on the recommendations by the NC, the Board has established processes and objective performance criteria for evaluating the effectiveness of the Board as a whole and the effectiveness of the individual Director. Such processes are aimed to assess whether each Director continues to contribute effectively and demonstrate commitment to the role.

In evaluating the Board's performance, the NC considers a set of quantitative and qualitative performance criteria. The performance criteria for the Board evaluation are in respect of board size and composition, board process, board information and accountability, board performance in relation to discharging its principal functions and responsibilities and financial targets. The individual Directors' performance criteria were in relation to their industry knowledge and/or functional expertise, contribution and workload requirements, sense of independence and attendance at the board and committee meetings.

The NC evaluated the performance of the Board as a whole taking into consideration the Board's discharge of its principal responsibilities and Board's deliberation of Company's long-term strategy. The NC considered the Board's performance to be satisfactory. The Board concurred with the NC's recommendation.

No external facilitator was used during the evaluation of FY2020's performance.

#### B. REMUNERATION MATTERS

Procedures for Developing Remuneration Policies

Principle 6: The Board has a formal and transparent procedure for developing policies on director and executive remuneration, and for fixing the remuneration packages of individual directors and key management personnel. No director is involved in deciding his or her own remuneration.

Provision 6.1 and 6.2 – RC Composition and Role

Provision 6.3 - Reviewing of Remuneration Terms

Provision 6.4 - Remuneration Consultants

# RC

The Board established the RC in April 2004 which comprises three (3) non-executive and independent directors, all of whom including the Chairman of the RC are independent. Please refer to Provision 1.4 above on the names of the members and the composition of the RC.

The members of the RC carried out their duties in accordance with the term of references, which include the following:

- a) make recommendations to the Board on the framework of remuneration for the Directors;
- b) make recommendations to the Board on the specific remuneration packages for each Executive Director and Managing Director (or executive of equivalent rank) of the Company;
- c) review all benefits (including share schemes) and compensation packages for Directors of the Company;
- d) report to the Board on its activities and proposals; and
- e) carry out such other duties as may be agreed to by the RC and the Board.

The Company adopts a formal procedure for the fixing of the remuneration packages of individual directors, CEO&MD and KMPs. No Director is involved in deciding his own remuneration.

The RC may, from time to time and where necessary, seek advice from external remuneration consultant in framing the remuneration policy and determining the level and mix of remuneration for Directors and KMPs. The Board has not engaged any external remuneration consultant to advise on remuneration matters for FY2020.

The RC reviews the Company's obligations arising in the event of termination of Executive Directors and KMP's contracts of service to ensure such contracts of service contain fair and reasonable termination clauses.

### Level and Mix of Remuneration

Principle 7: The level and structure of remuneration of the Board and key management personnel are appropriate and proportionate to sustained performance and value creation of the Company, taking into account the strategic objectives of the company.

Provision 7.1 - Remuneration of Executive Directors and Key Management Personnel

Provision 7.2 - Remuneration of Non-Executive Directors

Provision 7.3 - Appropriateness of Remuneration

In setting remuneration packages, the Company takes into account pay and employment conditions within the same industry and in comparable companies, as well as the Group's relative performance and the performance of individual directors. The RC also ensures that the remuneration policies support the Company's objectives and strategies.

As part of its review, the RC ensures that the performance-related elements of remuneration form an appropriate part of the total remuneration package of the KMP and that each package is designed to align their interests with those of shareholders and link rewards to corporate and individual performance. The RC will review the key performance indicators (KPIs) of the KMP and such KPIs will be tied to the profitability of the specific business which the individuals are managing.

Executive directors do not receive directors' fees. The remuneration policy for Executive Directors and KMP consists of two key components, that is, fixed cash and annual variable components. The fixed components include salary and other allowances. The variable component comprises a performance-based bonus which forms a significant proportion of the total remuneration package of Executive Directors and is payable on the achievement of individual and corporate performance targets.

The service contracts for the two Executive Directors have fixed appointment period of three years and clauses relating to early termination. The Executive Directors' contract is renewable and would be subject to RC and Board approval. None of the service contracts has any onerous removal clauses.

Non-executive and Independent directors, including the Chairman, have no service contract with the Company and their terms are specified in the Constitution of the Company. Non-executive and Independent directors are paid a basic fee for serving as director and any of the Board Committees roles. In determining the quantum of such fees, factors such as frequency of meetings, time spent and responsibilities of directors are taken into account. Such fees are subject to the approval of the shareholders as lump sum payment at the Annual General Meeting of the Company.

The Company currently has no employee share option schemes or other long-term incentive scheme in place.

There are, at present, no contractual provisions allowing the Company to reclaim incentive components of remuneration from Executive Directors and executive officers in exceptional circumstances of misstatement of financial results, or of misconduct resulting in financial loss to the Company. The Company should be able to avail itself to remedies against the Executive Directors in the event of such breach of fiduciary duties.

### Disclosure on Remuneration

Principle 8: The Company is transparent on its remuneration policies, level and mix of remuneration, the procedure for setting remuneration, and the relationships between remuneration, performance and value creation.

Provision 8.1 - Remuneration of Directors and Top 5 Key Management Personnel ("KMP")

#### Directors

A breakdown of compensation table of Directors' remuneration from the Company for the FY2020 is set out below:

	Salary	Bonus/Profit sharing	Other benefits <sup>(1)</sup>	Fees	Total
Name of director	\$	\$	\$	\$	\$
Dr Alex Tan	232,825	_	8,956	_	241,781
Mr Tan Guan Liang	174,640	_	6,404	-	181,044
Dr John Chen	_	_	_	50,400	50,400
Mr Foo Der Rong	-	_	_	33,600	33,600
Mr Wang Dao Fu	_	_	_	33,600	33,600
Total	407,465	_	15,360	117,600	540,425

# Note:

(1) Other benefits refer to benefits-in-kind such as car etc made available to directors as appropriate.

# Top 5 KMP (who are not Directors or the CEO/MD of the Company)

A summary compensation table of the KMP receiving remuneration from the Company for FY2020 appended below:

	Salary	Bonus	Other Benefits <sup>(2)</sup>	Total
Remuneration Band <sup>(1)</sup> & Name of KMP	99.62%	_	0.38%	100.00%
Below \$250,000				
Seow Han Khye	100.00%	_	_	100.00%
Lok Fong Meng	100.00%	_	_	100.00%
Tan Pang Sim	98.59%	_	1.41%	100.00%
Zhou Yongle	99.42%	_	0.58%	100.00%
Liushen	99.90%	_	0.10%	100.00%

### Notes:

- (1) Remuneration amounts are inclusive of salary, bonus, incentives, and Central Provident Fund contributions.
- (2) Other benefits refer to allowances.

The disclosure of the KMP's remuneration in bands of \$\$250,000 (based on gross remuneration received and inclusive of employer's contributions to the Central Provident Fund) is as set out in the above table. Due to sensitivities and confidentiality reasons, the Company believes that disclosure of their remuneration in bands of \$\$250,000 should be sufficient to provide an insight into the link between their compensation and performance. Further details are deemed to be not in the interest of the Company due to the competitiveness of the industry for key talents. The aggregate remuneration paid to the aforesaid KMP (who are not Directors or CEO/MD of the Company) in FY2020 amounted to \$\$376,635.

# Provision 8.2 – Immediate Family Member of Directors, CEO/MD or Substantial Shareholder whose remuneration amounts exceed \$\$100,000 per annum

Mr Tan Guan Liang, who is the son of Dr Tan Pang Kee (the CEO/MD of the Company), whose remuneration is disclosed above.

Mr Tan Pang Sim and Mr Tan Pang Jang are brother of CEO/MD and Madam Lim Kooi Yee who is daughter-in-law of the CEO/MD and spouse of Mr Tan Guan Liang, each of them, received a remuneration package not exceeding \$100,000 in FY2020.

The basis of determining the remuneration of the related employees is the same as the basis of determining the remuneration of other unrelated employees.

Provision 8.3 – All forms of remuneration, and other payments and benefits paid by the Company and its subsidiaries to directors and KMP

The Company does not have any share-based compensation scheme or any long-term incentive scheme involving the offer of shares or options in place. The Board is of the view that such long-term incentive plan is not effective and that is difficult to determine how much such long-term incentive plan contributes to the retention of employees and to motivate their performance.

### C. ACCOUNTABILITY AND AUDIT

### Risk Management and Internal Controls

Principle 9: The Board is responsible for the governance of risk and ensures that management maintains a sound system of risk management and internal controls, to safeguard the interests of the company and its shareholders.

# Provision 9.1 - Nature and Extent of Significant Risks

The Board has overall responsibilities for the governance of risk and exercises oversight of the significant risks in the Group's business. The Board ensures that the CEO&MD, KMPs maintains a sound system of internal controls and effective risk management policies to safeguard shareholders' interests and the Group's assets and in this regard, is assisted by the AC which reviews of the adequacy and effectiveness of the Group's internal controls and risk management systems.

The Board did not establish a separate board risk committee to review and assess the internal controls systems and risk management framework as the Board is currently assisted by the AC, internal auditors and external auditors in carrying out its responsibility of overseeing the Group's risk management framework and policies.

The Company's Internal Auditor ("IA"), Nexia TS Risk Advisory Pte. Ltd reports to the AC on the Group's risks profile on a yearly basis, evaluates results and proposes counter measures to mitigate identified potential risks.

The Board has adopted an enterprise risk management framework. This risk framework has five (5) principal risk categories, namely strategic, financial, operational, information technology control and compliance risks.

The risk framework is reviewed regularly taking into account changes in the Group's business and operating environment as well as evolving corporate governance requirements.

The identification and management of risks are delegated to the CEO&MD and KMPs, who assume ownership and day-to-day management of these risks. CEO&MD and KMPs are responsible for the effective implementation of risk management strategy, policies and processes to facilitate the achievement of business plans and goals within the risk tolerance established by the Board. Key business risks are proactively identified, addressed and reviewed on an ongoing basis. Identified risks that affect the achievement of the Group's business objectives are compiled in the Group Risks Register and are being ranked according to the likelihood and consequential impact to the Group as a whole.

The main risks arising from the Group's financial operations are liquidity risk, foreign currency risk, credit risk, equity price risk and interest rate risk. Details on the foregoing are more particularly set out in the Notes to the Financial Statements. These risks are monitored by AC and the Board on a yearly basis.

The IA has reviewed key internal controls as part of the internal audit plan and have independently reported their assessment to the AC and the Board on the adequacy, effectiveness and integrity of the Group's internal controls and risk management systems.

The IA presents their findings to the AC on a yearly basis. The internal audit report, comprising the details of any non-compliance or internal control weaknesses are noted during the audit, the corresponding recommendations and the CEO and/or KMP's responses were submitted and presented to the AC.

As part of the annual internal audits, the IA also reports any significant deficiencies of such internal controls to the AC, who then reviews the adequacy and effectiveness of the risk management and internal controls system.

### Provision 9.2 - Assurance from the CEO&MD, Group Chief Financial Officer and KMPs

For the financial year under review: -

- (a) Written assurance was received from the CEO&MD and the Group Chief Financial Officer that the Group financial records have been properly maintained and the financial statements give a true and fair view of the Group's operations and finances; and
- (b) Written assurance was received from the CEO&MD and the KMPs that the Group's risk management and internal controls systems in place where adequate and effective to address the financial, operational, compliance and information technology risks in the context of the current scope of the Group's business operations.

Based on the Group's framework of management controls in place, the internal policies and procedures established and maintained by the Group, as well as the review performed by the external and internal auditors, the Board, with the concurrence of the AC, is of the opinion that risk management and internal controls systems of the Group, addressing the financial, operational, compliance and information technology risks are adequate and effective as at 31 December 2020 to address the risks that the Group considers relevant and material to its operations, while noting that no system of internal control could provide absolute assurance against the occurrence of errors, fraud, or other irregularities.

The AC, CEO&MD and KMP will continue to review and strengthen the Group's controls environment and allocate more resources and expertise towards improving its internal policies and procedures to maintain a high level of governance and internal controls.

AC

Principle 10: The Board has an AC which discharges its duties objectively

Provisions 10.1 & 10.2 – AC Composition and Role Provision 10.4 – Internal Audit Function

The Board established the AC in April 2004 which comprises three (3) Non-Executive Directors, all of whom including the Chairman of the AC are independent. Please refer to Provision 1.4 above on the names of the members and the composition of the AC.

The AC has explicit authority to investigate any matter within its terms of reference. It has full access to, and the co-operation of the Management and full discretion to invite any Executive Director or KMP to attend its meetings. The AC has adequate resources, including access to the external consultants and auditors, to enable it to discharge its responsibilities properly.

The AC met three times in FY2020 and all the Executive Directors were invited to attend the meetings.

The Board is of the view that the members of the AC have sufficient financial management expertise and experience to discharge the AC's functions. The AC which has written terms of reference, performs delegated functions:—

- (a) review half-yearly and annual financial statements and auditors' report of the Group before submitting to the Board:
- (b) review the audit plans of external auditors of the Company and ensure the adequacy of the Group's system of accounting and co-operation given by the Company's Management to the external auditors;
- (c) review the significant financial reporting issues and judgements so as to ensure the integrity of the financial statements of the company and any announcements relating to the company's financial performance;
- (d) review all non-audit services provided by the external auditors to the Group to ensure that the nature and extent of such services would not affect the independence of the external auditors;
- (e) review internal controls and risk management systems and internal audit report;
- (f) investigate any matter within its terms of reference;
- (g) seek information it requires from any employee and all employees are directed to co-operate with any requests made by the AC;
- (h) if it deems appropriate, seek the professional advice of external consultants;

- (i) invite such persons (e.g. director, executive officer) to attend its meeting;
- (j) make recommendation to the Board on the proposals to the Shareholders on the appointment, re-appointment and removal of the external auditor, and approve the remuneration and terms of engagement of the external auditor; and
- (k) review interested person transactions in accordance with the requirements of the Catalist Rules.

#### **External Audit**

The AC reviews the scope and results of the audit carried out by the external auditors, the cost effectiveness of the audit and the independence and objectivity of the external auditors. It always seeks to balance the maintenance of objectivity of the external auditors and their ability to provide professional advices and solutions. The AC undertook the review of the independence and objectivity of the external auditors, Moore Stephens LLP and its global network member firms ("MS"), through discussions with the external auditors as well as reviewing the non-audit services provided and the fees paid to them. Based on the review, the AC is of the opinion that MS is, and is perceived to be, independent for the purpose of the Group's statutory audit. The fees payable to MS is set out below:

	S\$'000	%
Audit fees	136	100.00
Non-audit fees	-	_
Total	136	100.00

The AC recommends to the Board the appointment, re-appointment and removal of external auditors, and approves the remuneration and terms of engagement of the external auditors. The re-appointment of the external auditors is always subject to shareholders' approval at the AGM of the Company.

In reviewing the nomination of MS for re-appointment for the financial year ending 31 December 2021, the AC has considered the adequacy of the resources, experience and competence of MS, and has taken into account the Audit Quality Indicators relating to MS at the firm level and on the audit engagement level. Consideration was also given to the experience of the engagement partner and key team members in handling the audit. The AC also considered the audit team's ability to work in a co-operative manner with Management whilst maintaining integrity and objectivity and to deliver their services professionally and within agreed timelines.

On the basis of the above, the AC is satisfied with the standard and quality of work performed by MS. It has recommended to the Board the nomination of MS for re-appointment as external auditors at the forthcoming AGM of the Company.

For FY2020, the Company has complied with Catalist Rules 712, 715 and 716 of the SGX-ST in relation to the appointments of its external auditors. The AC and the Board are satisfied with the standards and the effectiveness of the audits performed by the independent auditors, other than those of the Company.

### Internal Audit

The primary role of internal audit is to assist the Board to evaluate the reliability, adequacy and effectiveness of the internal controls and risk management processes of the Group, reviewing the internal controls of the Group to ensure prompt and accurate recording of transactions and proper safeguarding of assets and reviewing that the Group complies with the relevant laws, regulations and policies established.

The internal audit function plans its internal audit schedule in consultation with, but independent of the Management. The AC examines the internal audit plan, determines the scope of audit examination and approves the internal audit budget.

It also oversees the implementation of the improvements required on internal control weaknesses identified and ensures that Management provides the necessary co-operation to enable the internal auditors to perform its function.

The Company engaged Nexia TS Risk Advisory Pte. Ltd. for internal audit function since year 2016. The internal auditors report primarily to the Chairman of the AC and has unrestricted access to the documents, records, properties and personnel of the Company and of the Group.

The AC annually reviews the adequacy and effectiveness of the internal audit function to ensure that resources are adequate and that the internal audits are performed effectively. It approves the appointment, termination, evaluation and the remuneration of the internal auditors.

The AC is satisfied that the internal audit function is staffed by suitably qualified and experienced professionals with the relevant experience to perform its function effectively.

### Whistle blowing Policy

The AC also reviews arrangements by which staff of the Company and external parties may, in confidence, raise concerns about possible improprieties in financial reporting or other matters. The Group has in place a whistle-blowing policy to ensure independent investigations of such matters and for appropriate follow up action.

The policy is aimed at encouraging the reporting of such matters in good faith, with the confidence that staff of the Company and other persons making such reports will be treated fairly and, to the extent possible, protected from reprisal. There was no whistle blowing report received for FY2020.

# Provision 10.3 - Former Partners or Directors of the Company's existing Audit Firm in AC

No former partner or director of the Company's existing auditing firm or auditing corporation is a member of the AC.

# Provision 10.5 - Meeting Auditors without the Management

The AC meets with the external auditors and the internal auditors, at least once a year, without the presence of the Management, to review any matter that might be raised. These meetings enable the auditors to raise any issues in the course of their work directly to the AC.

### D. SHAREHOLDER RIGHTS AND ENGAGEMENT

Shareholder Rights and Conduct of General Meetings

Principle 11: The company treats all shareholders fairly and equitably in order to enable them to exercise shareholders' rights and have the opportunity to communicate their views on matters affecting the company. The company gives shareholders a balanced and understandable assessment of its performance, position and prospects.

Provision 11.1 - Participating and Voting at General Meetings

Provision 11.2 - Tabling of Resolutions

### **Conduct of General Meetings**

Notices for general meetings are announced via SGXNet. In line with changes to the SGX Listing Rules, the Company has implemented electronic transmission of documents to shareholders. The notices, together with relevant documents (such as annual report, letter to shareholders or circular) will be published on the Company's corporate website at <a href="http://www.matex.com.sg">http://www.matex.com.sg</a>. All shareholders of the Company will receive the notice of annual general meeting and proxy form.

In order to provide ample time for the shareholders to review, the notice of AGM, together with the Annual Report 2020, is distributed to all shareholders at least 14 days before the scheduled AGM date. Shareholders are invited to attend the general meetings to put forth any questions they may have on the motions to be debated and decided upon.

All shareholders are entitled to vote in accordance with the established voting rules and procedures at the AGM. Each share is entitled to one vote.

An external firm is appointed as scrutineers for the AGM voting process, which is independent of the firm appointed to undertake the electronic poll voting process.

Through the service provider's poll voting system, the total number of votes cast for and against and the respective percentages on each resolution are tallied and instantaneously displayed on the screen after each poll conducted during the AGM.

The resolutions tabled at the general meetings are on each substantially separate issue, including treating the election or re-election of each director as a separate subject matter.

Detailed information on each item in the AGM agenda is provided in the explanatory notes to the Notice of AGM in the Annual Report.

### Provision 11.3 - Interaction with Shareholders

At general meetings of the Company, shareholders are given the opportunity to communicate their views and are encouraged to ask the directors and the Management questions regarding matters affecting the Company. Due to the COVID-19 pandemic, the Government of Singapore has issued guidelines whereby Companies should continue to conduct virtual meeting as much as possible, and alternative arrangements have been put in place to allow shareholders to participate at the AGM held by electronic means ("eAGM") by (a) watching/listening the proceedings of the eAGM via "live" webcast, (b) submitting questions in advance of the eAGM, and/or (c) voting by proxy at the eAGM. The Chairman and the Chairpersons of the AC, NC and RC were present at the last eAGM. All directors will endeavour to be present at the Company's forthcoming 2021 eAGM to address shareholders' questions relating to the work of these Committees.

The Company's external auditors, MS, will be present at the eAGM and are available to assist the directors in addressing any relevant queries by the shareholders relating to the conduct of the audit and the preparation and content of the auditors' report.

# Provision 11.4 - Shareholders' Participation

The Company supports active shareholder participation at general meetings. Annual reports are distributed to all shareholders 14 days before the scheduled general meeting date. All shareholders are encouraged to attend the general meetings to ensure high level of accountability and to stay informed of the Group's strategies and visions. As the Company will be conducting the AGM via virtual means, shareholders are encouraged to submit questions relating to the items on the Notice of the AGM before the stipulated deadline. The Company will endeavour to address the relevant questions, and responses will be published on both the Company's website and on SGXNet prior to the eAGM.

If shareholders are unable to attend the meetings, the Constitution of the Company allows for shareholders who are not relevant intermediaries to appoint not more than two proxies to attend, speak and vote at general meetings in their absence, and shareholders who are relevant intermediaries to appoint more than two proxies to attend, speak and vote at general meetings. In order to have a valid registration of proxy, the proxy forms must be sent in advance to the place(s) as specified in the notice of the general meetings at least 72 hours before the time set for the general meetings.

Voting in absentia such as voting via mail, electronic mail or facsimile at the general meetings may only be possible following careful study to ensure that integrity of the information and authentication of the identity of shareholders through the web is not compromised.

### Provision 11.5 - Minutes of General Meetings

The Board views the AGM as the principal forum for dialogue with shareholders, being an opportunity for shareholders to raise issues pertaining to the resolutions tabled for approval and/or ask the directors or the Management questions regarding the Company and its operations. The Company prepares minutes of general meetings, which are made available to shareholders upon their request.

# Provision 11.6 - Dividend Policy

The Company does not have a formal dividend policy. The form, frequency and amount of any proposed dividends will take into consideration the Group's profit growth, cash position, positive cash generated from operations, projected capital requirements for business growth and other factors as the Board may deem appropriate. The Company endeavours to pay dividends and where dividends are not paid, the Company will disclose its reason(s) accordingly.

The Company did not declare any dividends for FY2020. There were insufficient distributable profits available for the declaration of dividend as the Group and Company have recorded loss for FY2020. The details on the Group's loss are disclosed under Message to Shareholder on pages 6 to 9 of this Annual Report.

### **Engagement with Shareholders**

Principle 12: The company communicates regularly with its shareholders and facilitates the participation of shareholders during general meetings and other dialogues to allow shareholders to communicate their views on various matters affecting the company.

Provision 12.1 – Communication between the Board and Shareholders Provision 12.2 & 12.3 – Investor Relations Policy

# Disclosure of information on timely basis

The Group is firmly committed to corporate governance and transparency by disclosing to its stakeholders, including its shareholders, as much relevant information as is possible, in a timely, fair and transparent manner as well as to hearing its shareholders' views and addressing their concerns.

By supplying shareholders with reliable and timely information, the Company is able to strengthen the relationship with its shareholders based on trust and accessibility.

All the information relevant to shareholders will be disclosed in a timely and fair manner via SGXNet, its corporate website at <a href="www.matex.com.sg">www.matex.com.sg</a> and the media. Where there is inadvertent disclosure made to a selected Group, the Company will make the same disclosure publicly to all others as soon as possible.

### E. MANAGING STAKEHOLDERS RELATIONSHIPS

Principle 13: The board adopts an inclusive approach by considering and balancing the needs and interests of material stakeholders, as part of its overall responsibility to ensure that the best interests of the company are served.

Provision 13.1 - Arrangements to Identify and Engage with Stakeholders

Provision 13.2 - Management of Stakeholder Relationships

# Stakeholders' Engagement

The Group has regularly engaged its stakeholders through various medium and channels to ensure that the business interests are aligned with those of the stakeholders, to understand and address the concerns so as to improve services and products' standards, as well as to sustain business operations for long term growth.

The stakeholders have been identified as those who are impacted by the Group's business and operations and those who are similarly are able to impact the Group's business and operations.

Six (6) stakeholders groups have been identified through an assessment of their significance to the business operations. They are namely, suppliers, customers, employees, community, investors and regulators.

The Company has undertaken a process to determine the environmental, social and governance (ESG) issues which are important to these stakeholders. These issues form the materiality matrix upon which targets, performance and progress are reviewed and endorsed by the Board annually.

Having identified the stakeholders and the material issues, the Company has mapped out the key areas of focus in relation to the management of the respective stakeholder relationships.

Please refer to the Sustainability Report on pages 15 to 24 of this Annual Report for further details.

# Provision 13.3 - Corporate Website

All material information on the performance and development of the Group and of the Company is disclosed in a timely, accurate and comprehensive manner through SGXNET, press releases and the Company's website. The Company does not practice selective disclosure of material information. All materials on the half-yearly and full year financial results are available on the Company's website – <a href="https://www.matex.com">www.matex.com</a>. The comprehensive website, which is updated regularly, contains various information on the Group and the Company which serves as an important resource for investors and all stakeholders.

# **DEALING IN SECURITIES**

Rule 1204(19) of the Catalist Rules

In compliance with Rule 1204(19) of Catalist Rules on best practices in respect of dealing in securities, the Group has in place an internal compliance policy which prohibits the Directors, Key Management Personnel of the Group and their connected persons from dealing in the Company's shares during the "black-out" period – being one month immediately preceding the announcement of the Company's half-yearly and full year results respectively, or if they are in possession of unpublished price-sensitive information of the Group. In addition, Directors, Key Management Personnel and connected persons are expected to observe insider trading laws at all times even when dealing in securities within the permitted trading period.

They are also refrained from dealing in the Company's shares on short term considerations.

All directors are required to seek Board's approval before trading in the Company's shares and are also required to notify the Company Secretary of any change in his interest in the Company's shares within two business days of the change.

During FY2020, there was no trading of the Company's shares by insiders.

#### **MATERIAL CONTRACTS**

- Rule 1204(8) of the Catalist Rules

Pursuant to Rule 1204(8) of the Catalist Rules, there was no material contract involving the interests of any director or controlling shareholder entered into by the Company or any of its subsidiaries since the end of the previous financial year ended 31 December 2020. There was no such contract subsisted at the end of the financial year under review.

### INTERESTED PERSON TRANSACTIONS

Rule 907 of the Catalist Rules

To ensure compliance with Chapter 9 of the Catalist Rules, in FY2020, the AC, as well as the Board, met half-yearly to review if the Company will be entering into any interested person transactions.

If the Company is intending to enter into an interested person transaction, the AC and the Board will ensure that the transaction is carried out fairly and at arm's length based on normal commercial terms and will not be prejudicial to the interest of the Company and its non-controlling shareholders.

The Group does not have a general mandate from shareholders for interested person transactions pursuant to Rule 920 of the Catalist Rules. Disclosure of interested person transactions is set out on page 126 of this Annual Report. There were no interested person transactions entered into by the Group in excess of \$100,000 during the financial year under review.

### **NON-SPONSOR FEES**

In compliance with Rule 1204(21) of the Catalist Rules, there were no non-sponsor fees paid to the Company's sponsor, CIMB Bank Berhad, Singapore Branch, during the financial year under review.

# **DIRECTORS'**STATEMENT

The directors present their statement together with the audited consolidated financial statements of the Group for the financial year ended 31 December 2020 and statement of financial position as at 31 December 2020 and statement of changes in equity of the Company for the financial year ended 31 December 2020.

In the opinion of the directors:

- (a) the consolidated financial statements of the Group and the statement of financial position and statement of changes in equity of the Company are drawn up so as to give a true and fair view of the financial position of the Group and of the Company as at 31 December 2020, and the financial performance, changes in equity and cash flows of the Group and changes in equity of the Company for the financial year then ended; and
- (b) at the date of this statement, there are reasonable grounds to believe that the Company will be able to pay its debts when they fall due.

#### 1 DIRECTORS

The directors of the Company in office at the date of this statement are:

Dr John Chen Seow Phun Dr Tan Pang Kee Mr Foo Der Rong Mr Tan Guan Liang (Chen Guanliang) Mr Wang Dao Fu

# 2 ARRANGEMENTS TO ENABLE DIRECTORS TO ACQUIRE BENEFITS BY MEANS OF THE ACQUISITION OF SHARES AND DEBENTURES

Neither at the end of the financial year nor at any time during the financial year did there subsist any arrangement whose object is to enable the directors of the Company to acquire benefits by means of the acquisition of shares or debentures in the Company or any other body corporate.

### 3 DIRECTORS' INTERESTS IN SHARES AND DEBENTURES

The following directors, who held office at the end of the financial year, had, according to the register of directors' shareholdings required to be kept under Section 164 of the Singapore Companies Act, Chapter 50, an interest in shares of the Company as stated below:

	Direct interest		Deemed interest	
	At the beginning of the financial year	At the end of the financial year	At the beginning of the financial year	At the end of the financial year
Ordinary shares of the Company				
Dr John Chen Seow Phun	100,000	140,000	_	_
Dr Tan Pang Kee	58,343,000	87,972,630	_	_
Mr Tan Guan Liang (Chen Guanliang)	590,000	826,000	_	_

By virtue of Section 7 of the Singapore Companies Act, Dr Tan Pang Kee is deemed to have an interest in all the subsidiaries to the extent held by the Company.

There was no change in any of the above-mentioned interests in the Company between the end of the financial year and 21 January 2021.

Except as disclosed in this statement, no director who held office at the end of the financial year had interests in shares, share options, warrants or debentures of the Company, or of related corporations, either at the beginning of the financial year, or at the end of the financial year.

### 4 SHARE OPTIONS

# (a) Option to take up unissued shares

During the financial year, no option to take up unissued shares of the Company or any corporation in the Group was granted.

### (b) Option exercised

During the financial year, there were no shares of the Company or any corporation in the Group issued by virtue of the exercise of an option to take up unissued shares.

### (c) Unissued shares under option

At the end of the financial year, there were no unissued shares of the Company or any corporation in the Group under option.

# **DIRECTORS'**STATEMENT

### 5 AUDIT COMMITTEE

The audit committee ("AC") carried out its functions in accordance with section 201B (5) of the Singapore Companies Act, Chapter 50, including the following:

- Reviewed the audit plans of the internal and external auditors of the Group and the Company, and
  reviewed the internal auditor's evaluation of the adequacy of the Company's system of internal
  accounting controls and the assistance given by the Group and the Company's management to the
  external and internal auditors:
- Reviewed the half yearly financial results and annual financial statements and the auditor's report on the annual financial statements of the Group and the Company before their submission to the board of directors;
- Reviewed effectiveness of the Group and the Company's material internal controls, including financial, operational and compliance controls and risk management via reviews carried out by the internal auditor;
- Met with the external auditor, other committees, and management in separate executive sessions to discuss any matters that these groups believe should be discussed privately with the AC;
- Reviewed legal and regulatory matters that may have a material impact on the financial statements, related compliance policies and programmes and any reports received from regulators;
- Reviewed the cost effectiveness and the independence and objectivity of the external auditor;
- Reviewed the nature and extent of non-audit services provided by the external auditor;
- Recommended to the board of directors the external auditor to be nominated, approved the compensation of the external auditor, and reviewed the scope and results of the audit;
- Reported actions and minutes of the AC to the board of directors with such recommendations as the AC considered appropriate; and
- Reviewed interested person transactions in accordance with the requirements of the Singapore Exchange Securities Trading Limited's Listing Manual.

# 5 AUDIT COMMITTEE (CONTINUED)

The AC, having reviewed all non-audit services provided by the external auditor to the Group, is satisfied that the nature and extent of such services would not affect the independence of the external auditor. The AC has also conducted a review of interested person transactions.

The AC convened two meetings during the year with full attendance from all members. The AC has also met with internal and external auditors, without the presence of the Company's management, at least once a year.

Further details regarding the AC are disclosed in the Report on Corporate Governance.

# 6 AUDITORS

The independent auditors, Moore Stephens LLP, have expressed their willingness to accept re-appointment as auditors.

On behalf of the board of directors:

Dr Tan Pang Kee Director Mr Tan Guan Liang (Chen Guanliang) Director

Singapore 31 March 2021

#### FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

To the Members of Matex International Limited

#### REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

#### Opinion

We have audited the accompanying financial statements of Matex International Limited (the "Company") and its subsidiaries (the "Group"), which comprise the consolidated statement of financial position of the Group and the statement of financial position of the Company as at 31 December 2020, and the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows of the Group and the statement of changes in equity of the Company for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements of the Group and the statement of financial position and statement of changes in equity of the Company are properly drawn up in accordance with the provisions of the Companies Act, Chapter 50 (the "Act") and Singapore Financial Reporting Standards (International) ("SFRS(I)s") so as to give a true and fair view of the consolidated financial position of the Group and the financial position of the Company as at 31 December 2020 and of the consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group and of the changes in equity of the Company for the year ended on that date.

# **Basis for Opinion**

We conducted our audit in accordance with Singapore Standards on Auditing ("SSAs"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Group in accordance with the Accounting and Corporate Regulatory Authority ("ACRA") Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities ("ACRA Code") together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

# **Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

#### FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

	We found the estimates used by management in deriving the allowance/(write back) for inventory
	obsolescence to be within a reasonable range.

### Other Information

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

### REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS (CONTINUED)

#### Other Information (Continued)

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Responsibilities of Management and Directors for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and SFRS(I)s, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the Group's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

• Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

# **INDEPENDENT** AUDITORS' REPORT

#### FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

## REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS (CONTINUED)

#### Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business
  activities within the Group to express an opinion on the consolidated financial statements. We are responsible
  for the direction, supervision and performance of the Group audit. We remain solely responsible for our audit
  opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

# INDEPENDENT AUDITORS' REPORT

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

## REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS (CONTINUED)

# Report on Other Legal and Regulatory Requirements

In our opinion, the accounting and other records required by the Act to be kept by the Company have been properly kept in accordance with the provisions of the Act.

The engagement partner on the audit resulting in this independent auditor's report is Mr. Neo Keng Jin.

#### FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

These notes form an integral part and should be read in conjunction with the accompanying financial statements.

#### 1 GENERAL

Matex International Limited (the "Company") is a limited liability company, which is incorporated and domiciled in the Republic of Singapore and publicly traded on the Singapore Exchange Securities Trading Limited.

The registered office and principal place of business of the Company is located at 1003, Bukit Merah Central, #01-10 Inno Centre, Singapore 159836.

The principal activities of the Company are the formulation, manufacturing and sale of specialty chemicals focusing on dyestuff and auxiliaries for the textile industry.

The principal activities of the subsidiaries are disclosed in Note 13 to the financial statements.

The financial statements for the financial year ended 31 December 2020 were approved and authorised for issue by the board of directors in accordance with a resolution of the directors on the date of the Directors' Statement.

#### 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### 2.1 Basis of preparation

The consolidated financial statements of the Group and the statement of financial position and statement of changes in equity of the Company have been prepared in accordance with Singapore Financial Reporting Standards (International) (the "SFRS(I)").

The financial statements have been prepared on a historical cost basis except as disclosed in the accounting policies below.

The financial statements are presented in Singapore Dollars (SGD or \$) and all values are rounded to the nearest thousand (\$'000) except when otherwise indicated.

#### FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

## 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### 2.2 Adoption of new and amended standards and interpretations

(a) Application of new and revised SFRS(I)s and SFRS(I) INTs

On 1 January 2020, the Group has adopted the following new or amended SFRS(I) and SFRS(I) Interpretations ("SFRS(I) INTs") that are mandatory for application for the financial year. Changes to the Group's accounting policies have been made as required, in accordance with the transitional provisions in the respective SFRS(I) and SFRS(I) INTs. The adoption of the following new or amended SFRS(I) and SFRS(I) INTs did not result in substantial changes to the Group's accounting policies and had no material effect on the amounts reported for the current or prior financial years:

- Amendments to references to Conceptual Framework in SFRS(I)
- Amendments to SFRS(I) 3 Definition of a Business
- Amendments to SFRS(I) 7, SFRS(I) 9 and SFRS(I) 1-39 Interest Rate Benchmark Reform
- Amendments to SFRS(I) 1-1 and SFRS(I) 1-8 Definition of Material

The Group has elected to early adopt the amendments to SFRS(I) 16 which provided a practical expedient to simplify the accounting for lease concessions that meet all of the following criteria for a lessee to elect not to assess whether a rent concession is a lease modification:

- (a) the change in lease payments results in revised consideration for the lease that is substantially the same as, or less than, the consideration for the lease immediately preceding the change;
- (b) any reduction in lease payments affects only payments originally due on or before 30 June 2021; and
- (c) there is no substantive change to other terms and conditions of the lease.

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

# 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### 2.3 Standards issued but not yet effective

At the date of authorisation of these financial statements, the following standards that have been issued and are relevant to the Group and Company but not yet effective:

	Effective Date
	(Annual periods
Description	beginning on or after)
Amendments to SFRS(I) 3 Business Combinations – Reference to the	
Conceptual Framework	1 January 2022
Amendments to SFRS(I) 1-16 Property, Plant and Equipment – Proceeds	
before Intended Use	1 January 2022
Amendments to SFRS(I) 1-37 Provisions – Onerous Contracts – Cost of	
Fulfilling a Contract	1 January 2022
Amendments to SFRS(I) 1-1 Presentation of Financial Statements:	
Classification of liabilities as current or non-current	1 January 2023

The directors expect that the adoption of the standards above will have no material impact on the financial statements in the period of initial application.

The Group has elected to apply this practical expedient to all rent concessions that meet the above conditions in SFRS(I) 16.46B and has not restated prior period figures. There is negligible impact to profit or loss during the year by applying the practical expedient.

#### 2.4 Basis of consolidation

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at the end of the reporting period. The financial statements of the subsidiaries used in the preparation of the consolidated financial statements are prepared for the same reporting date as the Company. Consistent accounting policies are applied to like transactions and events in similar circumstances.

All intra-group balances, income and expenses and unrealised gains and losses resulting from intra-group transactions and dividends are eliminated in full.

Subsidiaries are consolidated from the date of acquisition, being the date on which the Group obtains control, and continue to be consolidated until the date that such control ceases.

Losses within a subsidiary are attributed to the non-controlling interest even if that results in a deficit balance.

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

## 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### 2.4 Basis of consolidation (Continued)

The Group applies the acquisition method to account for business combinations when the acquired set of activities and assets meets the definition of a business and control is transferred to the Group. In determining whether an integrated set of activities and assets is a business, the Group assesses whether the set of assets and activities acquired includes, at a minimum, an input and substantive process that together significantly contribute to the ability to create output. A business can exist without including all of the inputs and processes needed to create output. The Group has an option to apply a 'fair value concentration test' that permits a simplified assessment of whether an acquired set of activities and assets is not a business. The concentration test can be applied on a transaction-by-transaction basis. The optional concentration test is met if substantially all of the fair value of the gross assets acquired is concentrated in a single identifiable asset or group of similar identifiable assets. If the test is met, the set of activities and assets is determined not to be a business and no further assessment is needed. If the test is not met, or if the Group elects not to apply the test, a detailed assessment must be performed applying the normal requirements in SFRS(I) 3.

#### 2.5 Transactions with non-controlling interests

Non-controlling interest represents the equity in subsidiaries not attributable, directly or indirectly, to owners of the Company.

Changes in the Company's ownership interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions. In such circumstances, the carrying amounts of the controlling and non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiary. Any difference between the amount by which the non-controlling interest is adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Company.

### 2.6 Foreign currency

The financial statements are presented in Singapore Dollars, which is also the Company's functional currency. Each entity in the Group determines its own functional currency and items included in the financial statements of each entity are measured using that functional currency.

#### FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

# 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### 2.6 Foreign currency (Continued)

#### (a) Transactions and balances

Transactions in foreign currencies are measured in the respective functional currencies of the Company and its subsidiaries and are recorded on initial recognition in the functional currencies at exchange rates approximating those ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the end of the reporting period. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured.

Exchange differences arising on the settlement of monetary items or on translating monetary items at the end of the reporting period are recognised in profit or loss.

#### (b) Consolidated financial statements

For consolidation purpose, the assets and liabilities of foreign operations are translated into SGD at the rate of exchange ruling at the end of the reporting period and their profit or loss are translated at the exchange rates prevailing at the date of the transactions. The exchange differences arising on the translation are recognised in other comprehensive income. On disposal of a foreign operation, the component of other comprehensive income relating to that particular foreign operation is recognised in profit or loss.

# 2.7 Property, plant and equipment

All items of property, plant and equipment are initially recorded at cost. Subsequent to recognition, property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

Property, plant and equipment are depreciated using the straight-line method against the cost (in the case of People's Republic of China ("PRC") subsidiary companies, less estimated residual value of the fixed asset at 10% of cost), over their estimated useful lives. The estimated useful lives have been taken as follows:

Leasehold properties	5 to 91 years
Plant and equipment	3 to 10 years
Renovation, electrical and fittings	5 to 10 years
Motor vehicles	5 to 10 years

### FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

# 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### 2.7 Property, plant and equipment (Continued)

Assets under construction included in plant and equipment are not depreciated as these assets are not yet available for use.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual value, useful life and depreciation method are reviewed at each financial year-end, and adjusted prospectively, if appropriate.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on derecognition of the asset is included in the profit or loss in the year the asset is derecognised.

#### 2.8 Land use rights

Land use rights relate to properties in the PRC.

Land use rights are initially measured at cost. Following initial recognition, land use rights are measured at cost less accumulated amortisation. The land use rights are amortised on a straight-line basis over the lease term of 20 to 50 years.

An assessment of the carrying value of land use rights is made when there are indications that the assets have been impaired or the impairment losses recognised in prior years no longer exists.

Gains or losses arising from the retirement or disposal of land use rights are determined as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised as income or expense in the profit or loss.

## 2.9 Intangible assets

Intangible assets acquired separately are measured initially at cost. Following initial acquisition, intangible assets are carried at cost less any accumulated amortisation and any accumulated impairment losses. Internally generated intangible assets, excluding capitalised development costs, are not capitalised and expenditure is reflected in profit or loss in the year in which the expenditure is incurred.

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

### 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### 2.9 Intangible assets (Continued)

Intangible assets with finite useful lives are amortised over the estimated useful lives and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method are reviewed at least at each financial year-end. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset is accounted for by changing the amortisation period or method, as appropriate, and are treated as changes in accounting estimates.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in profit or loss when the asset is derecognised.

Intangible assets relate to software and is amortised on a straight-line basis over a period of 5 years.

#### 2.10 Share capital and share issue expenses

Proceeds from issuance of ordinary shares are recognised as share capital in equity. Incremental costs directly attributable to the issuance of ordinary shares are deducted against share capital.

#### 2.11 Impairment of non-financial assets

The Group assesses at each reporting date whether there is an indication that an asset may be impaired. If any such indication exists, or when annual impairment testing for an asset is required, the Group makes an estimate of the asset's recoverable amount.

An asset's recoverable amount is the higher of an asset's or cash-generating unit's fair value less costs of disposal and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or cash-generating unit exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognised in profit or loss.

A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. If that is the case, the carrying amount of the asset is increased to its recoverable amount. That increase cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised previously. Such reversal is recognised in profit or loss.

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

# 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### 2.12 Subsidiaries

A subsidiary is an investee that is controlled by the Group. The Group controls an investee when it is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee.

In the Company's separate financial statements, investments in subsidiaries are accounted for at cost less impairment losses.

#### 2.13 Financial instruments

#### (a) Financial assets

#### Initial recognition and measurement

Financial assets are recognised when, and only when the entity becomes party to the contractual provisions of the instruments.

At initial recognition, the Group measures a financial asset at its fair value plus, in the case of financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Trade receivables are measured at the amount of consideration to which the Group expects to be entitled in exchange for transferring promised goods or services to be a customer, excluding amounts collected on behalf of third party, if the trade receivables do not contain a significant financing component at initial recognition.

#### Subsequent measurement

Investment in debt instruments at amortised cost

Financial assets that are held for the collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Financial assets are measured at amortised cost using the effective interest method, less impairment. Gains and losses are recognised in profit or loss when the assets are derecognised or impaired, and through the amortisation process.

#### FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

#### 2.13 Financial instruments

#### (a) Financial assets (Continued)

#### Derecognition

A financial asset is derecognised where the contractual right to receive cash flows from the asset has expired. On derecognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received and any cumulative gain or loss that had been recognised in other comprehensive income for debt instruments is recognised in profit or loss.

#### (b) Financial liabilities

### Initial recognition and measurement

Financial liabilities are recognised when, and only when, the Group becomes a party to the contractual provisions of the financial instrument. The Group determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value plus in the case of financial liabilities not at fair value through profit or loss, directly attributable transaction costs.

#### Subsequent measurement

After initial recognition, financial liabilities that are not carried at fair value through profit or loss are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the liabilities are derecognised, and through the amortisation process.

### Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. On derecognition, the difference between the carrying amounts and the consideration paid is recognised in profit or loss.

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

## 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### 2.14 Impairment of financial assets

The Group recognises an allowance for expected credit losses ("ECLs") for all debt instruments not held at fair value through profit or loss and financial guarantee contracts. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Group expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

For trade receivables, the Group applies a simplified approach in calculating ECLs. Therefore, the Group does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Group has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

The Group considers a financial asset to be in default when internal or external information indicates that the Group is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Group. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

# 2.15 Cash and cash equivalents

Cash and cash equivalents comprise cash at banks and on hand, and fixed deposits. Cash equivalents are short-term, highly liquid investments readily convertible to known amounts of cash and subject to an insignificant risk of changes in value.

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

#### 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### 2.16 Inventories

Inventories are stated at the lower of cost and net realisable value. Costs incurred in bringing the inventories to their present location and conditions are accounted for as follows:

- (a) Raw materials: purchase costs on a weighted average basis;
- (b) Finished goods and work-in-progress: cost of direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity.

Where necessary, allowance is provided for damaged, obsolete and slow-moving items to adjust the carrying value of inventories to the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

#### 2.17 Provisions

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount of the obligation can be estimated reliably.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using current pre-tax rate that reflects, where appropriate, the risk specific to the liability. When discounting is used, the increase in provision due to passage of time is recognised as a finance cost.

#### 2.18 Government grants

Government grants are recognised when there is reasonable assurance that the grant will be received and all attaching conditions will be complied with. Where the grant relates to an asset, the fair value is recognised as deferred capital grant on the statement of financial position and is amortised to profit or loss over the expected useful life of the relevant asset by equal annual instalments.

#### 2.19 Borrowing costs

All borrowing costs that are not directly attributable to the acquisition, construction or production of a qualifying asset are recognised in profit or loss in the period in which they are incurred. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

### 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### 2.20 Employee benefits

#### (a) Defined contribution plans

The Group participates in the national pension schemes as defined by the laws of the countries in which it has operations. The Singapore companies in the Group make contributions to the Central Provident Fund scheme in Singapore, a defined contribution pension scheme. In addition, the subsidiary companies in the PRC pay fixed contributions into the retirement insurance and medical insurance schemes organised by the social security bureau and has no further payment obligations once the contributions have been paid. Contributions to defined contribution pension schemes are recognised as an expense in the period in which the related service is performed.

### (b) Employee leave entitlement

Employee entitlements to annual leave are recognised as a liability when they are accrued to the employees. The undiscounted liability for leave expected to be settled wholly before twelve months after the end of the reporting period is recognised for services rendered by employees up to the end of the reporting period.

#### 2.21 Leases

The Group assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

#### As lessee

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Group recognises lease liabilities representing the obligations to make lease payments and right-of-use assets representing the right to use the underlying leased assets.

#### FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

# 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### 2.21 Leases (Continued)

As lessee (Continued)

#### (i) Right-of-use assets

The Group recognises right-of-use assets at the commencement date of the lease (i.e. the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets as follows:

Office premises 3 to 5 years
Land use rights 20 to 50 years
Motor vehicles 5 years
Office equipment 10 years

If ownership of the leased asset transfers to the Group at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

The right-of-use assets are also subject to impairment. The accounting policy for impairment is disclosed in Note 2.11.

#### (ii) Lease liabilities

At the commencement date of the lease, the Group recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for terminating the lease, if the lease term reflects the Group exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g. changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

# 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### 2.21 Leases (Continued)

As lessee (Continued)

(iii) Short-term leases and leases of low-value assets

The Group applies the short-term lease recognition exemption (i.e. those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

#### 2.22 Revenue

Revenue is measured based on the consideration to which the Group expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

The Group produces and supplies dyestuffs and auxiliaries to manufacturers mainly in the textile industry.

Revenue is recognised when the Group satisfies a performance obligation by transferring a promised good or service to the customer, which is when the customer obtains control of the good or service. A performance obligation is satisfied at a point in time and accordingly, revenue is recognised at a point in time.

Revenue is recognised when the goods or services are delivered to the customer and all criteria for acceptance have been satisfied. The amount of revenue recognised is based on the transaction price which comprises the contractual price. There are no variable considerations that would modify transaction price and accordingly, no significant judgement is involved in estimating the revenue.

#### 2.23 Taxes

### (a) Current income tax

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the end of the reporting period, in the countries where the Group operates and generates taxable income.

Current income taxes are recognised in profit or loss except to the extent that the tax relates to items recognised outside profit or loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

#### FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

### 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### 2.23 Taxes (Continued)

#### (b) Deferred tax

Deferred income tax is provided, using the liability method on temporary differences at the end of the reporting period between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax liabilities are recognised for all temporary differences, except:

- where the deferred tax liability arises from the initial recognition of goodwill or of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- in respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, where the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised except:

- Where the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020.

### 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### 2.23 Taxes (Continued)

(b) Deferred tax (Continued)

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at the end of each reporting period and are recognised to the extent that it has become probable that future taxable profit will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the end of each reporting period.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss. Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity and deferred tax arising from a business combination is adjusted against goodwill on acquisition.

#### (c) Sales tax

Revenues, expenses and assets are recognised net of the amount of sales tax except:

- Where the sales tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case the sales tax is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- Receivables and payables that are stated with the amount of sales tax included.

### 2.24 Contingencies

A contingent liability is:

(a) A possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group; or

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

### 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### 2.24 Contingencies (Continued)

- (b) a present obligation that arises from past events but is not recognised because:
  - (i) It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
  - (ii) The amount of the obligation cannot be measured with sufficient reliability.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group.

Contingent liabilities and assets are not recognised on the statement of financial position.

#### 3 SIGNIFICANT ACCOUNTING JUDGEMENTS AND ESTIMATES

The preparation of the Group's consolidated financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities at the end of each reporting period. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in the future periods.

#### 3.1 Judgements made in applying accounting policies

Critical judgement is required in the application of accounting policies when preparing the Group's consolidated financial statements. Management is of the opinion that the instances of application of judgement are not expected to have a significant effect on the amounts recognised in the financial statements, apart from those involving estimates.

## 3.2 Key sources of estimation uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of the reporting period are discussed below. The Group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

#### FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

# 3 SIGNIFICANT ACCOUNTING JUDGEMENTS AND ESTIMATES (CONTINUED)

#### 3.2 Key sources of estimation uncertainty (Continued)

(a) Allowance for expected credit losses of trade receivables

The Group determines ECLs and impairment of trade receivables by making debtor-specific assessment of expected impairment loss for long overdue trade receivables, and using a provision matrix for the remaining trade receivables.

The provision matrix is based on the Group's historical observed default rates. The Group will calibrate the matrix to adjust historical credit loss experience with forward-looking information. At every reporting date, historical default rates are updated and changes in the forward-looking estimates are analysed.

The assessment of the correlation between historical observed default rates, forecast economic conditions and ECLs is a significant estimate. The amount of ECLs is sensitive to changes in circumstances and forecast of economic conditions. The Group's historical credit loss experience and forecast of economic conditions may also not be representative of customer's actual default in the future. The information about the ECLs on the Group's trade receivables is disclosed in Note 30(a) to the financial statements.

The carrying amount of the Group and the Company's trade receivables as at 31 December 2020 are \$3,331,000 (2019: \$6,854,000) and \$1,009,000 (2019: \$1,628,000) respectively.

(b) Allowance for slow-moving and obsolete inventories

A review of the realisable value of the inventories is performed periodically for slow-moving, obsolete, and inventories which have a decline in net realisable value below cost. An allowance is recorded against the inventory balance for any such declines. These reviews require management to estimate future market demand for the products, pricing competitions, environmental regulations requirements and age of the inventories. Possible changes in these estimates could result in revisions to the valuation of inventories. The carrying amount of the Group's inventories at the end of the reporting period is disclosed in Note 14 to the financial statements.

The carrying amount of the Group's inventories as at 31 December 2020 is \$10,411,000 (2019: \$12,222,000).

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

# 3 SIGNIFICANT ACCOUNTING JUDGEMENTS AND ESTIMATES (CONTINUED)

# 3.2 Key sources of estimation uncertainty (Continued)

(c) Impairment of non-financial assets (property, plant and equipment, right-of-use assets and intangible assets)

The recoverable amounts of the cash generating units ("CGU") are determined based on value in use, which are computed using a discounted cash flow model. This assessment required management to exercise significant judgement over various inputs and assumptions such as revenue growth rates, gross margins and discount rate. The key assumptions applied in the determination of the value in use of property, plant and equipment, right-of use assets and intangible assets are disclosed in Note 9, 10 and 12 to the financial statements respectively.

The carrying amount of the Group's property, plant and equipment, right-of-use assets and intangible assets as at 31 December 2020 is \$9,077,000, \$1,056,000 and \$320,000 (2019: \$12,788,000, \$735,000 and \$653,000) respectively.

#### 4 REVENUE

### (a) Disaggregation of revenue

	Group		
	2020	2019	
	\$'000	\$'000	
Primary geographical markets			
People's Republic of China	18,326	31,026	
Malaysia	1,251	2,987	
Singapore	5,052	4,290	
Sale of goods at a point in time	24,629	38,303	

Information about receivables and contract liabilities from contracts with customers is disclosed as follows:

	Group

- Interest on letters of credit and trust receipts	-	(13)	
- Interest on lease liabilities	(62)	(75)	
	(547)	(573)	

#### 6 PERSONNEL EXPENSES

The following personnel expenses includes directors' remuneration.

	Group		
2020 201	9		
\$′000\$′00	0		
Salaries and bonuses 3,646 4,766	5		
Defined contribution plans 403 538	3		
Other personnel expenses	3		
<b>4,196</b> 5,555	2		

### FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

#### LOSS BEFORE TAXATION

This is determined after crediting/(charging) the following:

	Group		
	2020	2019	
	\$'000	\$'000	
Amortisation of intangible assets (Note 12)	(161)	(162)	
Depreciation of property, plant and equipment (Note 9)	(1,525)	(1,909)	
Depreciation of right-of-use assets (Note 10)	(182)	(188)	
Impairment of non-financial assets (Note 9, 10, 12)	(3,253)	(1,272)	
Inventories recognised as an expense in cost of sales (Note 14)	(18,598)	(26,674)	
Audit fees paid to:			
– Auditor of the Company	(89)	(82)	
– Other auditors	(113)	(196)	
Non-audit fees paid to:			
– Auditor of the Company	_	(10)	
– Other auditors	(2)	(2)	
Personnel expenses (Note 6)	(4,196)	(5,552)	
Inventories written down (Note 14)	(59)	(472)	
Write back of provision for inventory obsolescence <sup>^</sup> (Note 14)	397	_	
Foreign exchange loss	(248)	(41)	
Gain/(Loss) on disposal of property, plant and equipment	50	(1)	
Write-off property, plant and equipment	(360)	_	
Lease expenses (short term lease)	(7)	(22)	
Transportation expense	(235)	(514)	
Sludge treatment fees	_	(1,321)	
Government grants*	316	436	

- \* In response to the COVID-19 coronavirus pandemic, wage subsidy programmes for companies that had to shut their operations and furlough staff were introduced by the governments of the affected subsidiaries including Singapore and Malaysia. The government grants income received during the current financial year are substantially the wage subsidies from these governments.
- ^ The write back of provision for inventory obsolescence during the year was because certain inventories previously written down below cost have been sold at higher selling price.

### FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

#### 8 INCOME TAX EXPENSE

The major components of income tax expense for the year ended 31 December are:

	Group

### Construction-in-progress

The Group's construction-in-progress relates to the construction of the factory building and facilities for subsidiaries in Taixing, Jiangsu Province, the PRC.

#### FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

### PROPERTY, PLANT AND EQUIPMENT (CONTINUED)

### Cash outflow on property, plant and equipment

The cash outflow on the acquisition of property, plant and equipment by the Group during the year amounted to \$690,000 (2019: \$1,407,000).

### Assets pledged as security

The Group's leasehold properties, plant and equipment with a carrying amount of \$8,085,000 (2019: \$8,379,000), are mortgaged to secure the Group's bank loans as disclosed in Note 21 to the financial statements respectively.

#### Impairment of assets

During the current financial year, the Group carried out a review of the recoverable amount of its production facility and equipment, which is defined as the cash generating units ('CGUs') due to losses incurred.

Impairment losses amounting to \$\$2,970,000 was made for the financial year ended 31 December 2020 as the recoverable amount of the CGUs were projected to be below the net book value of the attributable assets.

The recoverable amounts were computed based on value in use using a discounted cash flow projection. The post-tax discount rates used were 10.5% (Singapore), 13.0% (Malaysia) and 15.5% (China) (2019: 14.2% (China)).

#### RIGHT-OF-USE ASSETS AND LEASE LIABILITIES 10

The Group has lease contracts for various items of leasehold land, office premises, motor vehicles and office equipment used in its operations. The Group's obligations under its leases are secured by the lessor's title to the leased assets. The Group is restricted from assigning and subleasing the leased assets.

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

#### Impairment on investment in subsidiaries

Management has performed an impairment assessment for subsidiaries with indicators of impairment based on their estimation of recoverable amount. Due to stringent environmental and safety compliance measures implemented by the government of the PRC in recent years, the production facilities located in China had to undergo retrofitting work by phases. These have disrupted production due to restricted capacity and resulted in low sales and losses recorded by these subsidiaries.

#### FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

#### **INVESTMENT IN SUBSIDIARIES (CONTINUED)** 13

#### (a) Composition of the Group (Continued)

Impairment on investment in subsidiaries (Continued)

As at 31 December 2020, an impairment loss of \$7,496,000 (2019: \$\$7,496,000) was made on the investment in subsidiaries. Recoverable amount of the equity investments, based on value in use calculation, was projected to be below each Company's cost of investment. Cash flows in the value in use calculation were discounted between 10.5% to 15.5% (2019: 11.1% to 14.2%) per annum.

Dedot Sdn Bhd ("DSB") is currently dormant and is in a net tangible liabilities position. The cost of investment of \$35,000 (2019: \$35,000) in DSB has been fully impaired.

#### (b) Interest in subsidiaries with material non-controlling interest ("NCI")

The Group has the following subsidiaries that have NCI that are material to the Group.

Name of subsidiary	Principal place of business	Proportion of ownership interest held by non- controlling interest	Loss allocated to NCI during the reporting period	Accumulated NCI at the end of reporting period
31 December 2020:				
Matex Chemicals (Taixing) Co., Ltd	PRC	40%	(2,871)	(1,065)

#### FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

#### 15 TRADE AND NOTES RECEIVABLES (CONTINUED)

Trade and notes receivables are presented as follows:

	Group		Com	Company	
	2020	2019	2020	2019	
	\$'000	\$'000	\$'000	\$'000	
Non-current assets	_	226	_	1,087	
Current assets	4,796	8,527	1,009	541	
	4,796	8,753	1,009	1,628	

Trade receivables are non-interest bearing and are generally on 30 to 90 days' terms. They are recognised at their original invoice amounts which represent their fair values on initial recognition.

As at 31 December 2019, the Company had granted extended credit terms to a key customer and to a subsidiary. The balances were reflected under current and non-current trade receivables, in accordance with repayment terms agreed upon.

Trade receivables denominated in foreign currencies (other than the respective functional currency of the Group entities) at 31 December are as follows:

	Group		Com	Company	
	2020	2019	2020	2019	
	\$'000	\$'000	\$'000	\$'000	
United States Dollar	672	1,392	1,009	1,628	

The notes receivables are with financial institutions in the PRC which are non-interest bearing and have repayment terms ranging from 1 to 12 months (2019: 1 to 12 months). All note receivables are trade-related.

#### **Expected credit losses**

The movement in allowance for expected credit losses of trade receivables computed based on lifetime ECL is as follows:

	Group		Com	Company	
	2020	2019	2020	2019	
	\$'000	\$'000	\$'000	\$'000	
Movement in allowance accounts:					
At 1 January	3,577	6,065	1,661	1,274	
Charge for the year	85	33	_	442	
Written-back	(152)	(817)	_	(55)	
Written-off allowance made	_	(1,521)	_	_	
Exchange differences	164	(183)			
At 31 December	3,674	3,577	1,661	1,661	

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

#### OTHER RECEIVABLES AND DEPOSITS

	Group		Company	
	2020	2019	2020	2019
	\$'000	\$'000	\$'000	\$'000
Other receivables	1,156	1,371	13	7
Deposits	38	109	-	1
Tax recoverable	123	21	-	_
Amounts due from subsidiaries			1,897	932
	1,317	1,501	1,910	940

The amounts due from subsidiaries are non-trade related, unsecured, non-interest bearing and repayable on demand and are to be settled in cash.

Other receivables comprise mainly advances granted to third party and sales offices located at the PRC for operational purposes. The amount is non-interest bearing and repayable on demand.

#### **CASH AND CASH EQUIVALENTS** 17

	Group		Company	
	2020	2019	2020	2019
	\$'000	\$'000	\$'000	\$'000
Cash at banks and on hand	4,469	3,218	135	117
Fixed deposits	1,500	1,771		
	5,969	4,989	135	117
Less: Restricted cash	(1,500)	(1,767)		
	4,469	3,222	135	117

Restricted cash are cash that are placed as collateral with banks for the term loans taken up by subsidiaries.

Cash at bank earned interest at rates based on daily bank deposit rates ranging from 0.05% to 0.25% (2019: 0.05% to 0.25%) per annum.

#### FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

#### 17 CASH AND CASH EQUIVALENTS (CONTINUED)

Fixed deposits are placed with financial institutions for varying periods of between 7 days to 6 months depending on the immediate cash requirements of the Group. The fixed deposits earned interest at fixed deposit rates ranging from 0.15% to 0.30% (2019: 0.15% to 0.30%) per annum.

Cash and cash equivalents denominated in currencies (other than the respective functional currency of the Group entities) at 31 December are as follows:

	Gr	oup	Company	
	2020	2019	2020	2019
	\$'000	\$'000	\$'000	\$'000
United States Dollar	625	322	24	32

#### 18 TRADE PAYABLES

	Group		Company

Amount due to a director	-	300	_	_
Deferred capital grant	187	201		
	5,121	6,010	312	316

Other payables and accruals are presented as follows:

	Gre	oup	Com	oany
	2020	2019	2020	2019
	\$'000	\$'000	\$'000	\$'000
Current liabilities	5,108	5,832	312	316
Non-current liabilities	13	178		
	5,121	6,010	312	316

Other payables are non-interest bearing and are generally settled on 30 to 90 days' terms.

Amount due to a director was non-interest bearing, repayable on demand and was settled during the current financial year ended 31 December 2020.

Deferred capital grant relates to a government grant received from a local authority in the PRC for compliance of sustainability initiatives implemented through upgrading of a subsidiary's production facilities. The deferred capital grant is amortised over an estimated useful life of the assets of 10 years.

#### FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

#### **TERM LOANS**

Chinese Renminbi ("RMB") loans	7,910	6,089		
	10,483	6,176		

The term loans are presented as follows:

	Gre	oup	Comp	pany
	2020	2019	2020	2019
	\$'000	\$'000	\$'000	\$'000
Current	8,534	6,176	_	_
Non-current	1,949			
	10,483	6,176		

SGD loan:

The temporary bridging loans of \$2,000,000 at the average interest rate of 3.38% and \$750,000 at the average interest rate of 4.25% are drawn down by a subsidiary. The \$2,000,000 loan is repayable over the next 5 years and is secured by corporate guarantee provided by the Company. The \$750,000 loan is repayable over 3 years from the date of draw down and is secured by corporate guarantee provided by the Company and joint and several guarantees of the directors.

RMB loans: These loans are drawn down by subsidiaries in the PRC. They are repayable within 1 to 12 months from the date of draw down but can be rolled over at the bank's discretion. These loans are due between March 2021 to October 2022. The term loan due in March 2021 amounting to \$2,028,000 was renewed and repayable in March 2022. The loans bear interest rates ranging from 5.22% to 6.45% (2019: 5.22% to 6.45%) per annum. Other than a RMB5,000,000 loan which is secured with \$1,500,000 in fixed deposits (Note 17), the other RMB loans are secured over certain assets as disclosed in Notes 9 and 10 to the financial statements.

#### FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

#### TERM LOANS (CONTINUED) 21

A reconciliation of liabilities arising from financing activities is as follows:

				Non-cash	changes

The 'other' column relates to reclassification of non-current portion of lease liability to current.

#### FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

#### 22 DEFERRED TAX

Deferred tax liabilities as at 31 December relate to the following:

	Gro	oup
	2020	2019
	\$'000	\$'000
Undistributed earnings of subsidiaries	51	45

An analysis of the deferred tax liabilities is as follows:

	Gre	oup
	2020 \$'000	2019 \$'000
At 1 January Movement in deferred taxes:	45	142
– current financial year	6	(97)
At 31 December	51	45

#### Unrecognised tax losses and deductible temporary differences

The Group has unutilised tax losses and deductible temporary differences of approximately \$48,830,000 (2019: \$42,460,000) and \$1,182,000 (2019: \$1,182,000) and the Company has unutilised tax losses of \$23,774,000 (2019: \$22,687,000) respectively, that are available for offset against future taxable incomes of the entities in which the tax losses arose, for which no deferred tax asset was recognised due to uncertainty of its recoverability. The use of these tax losses and deductible temporary differences are subject to the agreement of the tax authorities and compliance with certain provisions of the tax legislation of the respective countries in which the entities operate. The tax losses have no expiry date except for the tax losses from the PRC as shown below.

Year incurred	Expiry date	Unrecognised tax losses \$'000
2016	31 December 2021	389
2017	31 December 2022	4,334
2018	31 December 2023	4,758
2019	31 December 2024	7,461
2020	31 December 2025	6,279

The unabsorbed tax losses from the PRC which expired in the current year was \$1,198,000 (2019: \$nil).

#### FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

#### 22 **DEFERRED TAX (CONTINUED)**

#### Temporary differences relating to investments in subsidiaries

At the end of the reporting period, \$51,000 (2019: \$45,000) of deferred tax liabilities have been recognised for taxes that would be payable on the undistributed earnings of the Group's subsidiaries.

#### 23 SHARE CAPITAL

		Group and	d Company	
	2	020	20	19
	Number	of shares	Number	of shares
	′000	\$'000	′000	\$'000
Issued and fully paid ordinary shares:				
At beginning of the year	267,392	23,406	267,392	23,406
Rights issue during the year	44,306	1,197		
At end of the year	311,698	24,603	267,392	23,406

The holders of ordinary shares are entitled to receive dividends as and when declared by the Company. All ordinary shares carry one vote per share without restriction. The ordinary shares have no par value.

During the current financial year, an aggregate of 44,305,833 Right Shares at the price of \$\$0.027 have been allotted and issued by the Company on 23 December 2020. Following the allotment and issuance of the Right Shares, the number of issued shares in the Company has increased from 267,392,320 to 311,698,153.

#### **CAPITAL RESERVE** 24

This pertains to a non-distributable capital income arising from the restructuring of subsidiary companies in prior years.

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

#### 25 ENTERPRISE EXPANSION AND GENERAL RESERVE

This pertains to a general reserve fund and an enterprise expansion reserve fund set up by the Group's subsidiaries in the PRC, in accordance with local laws and regulations, by way of appropriation from their net profit at a rate determined by the companies. The respective board of directors of the subsidiaries have decided that 20% of the profit after taxation be appropriated each year, of which 10% be appropriated to the general reserve fund and 10% be appropriated to the enterprise expansion reserve fund.

The general reserve and the enterprise expansion reserve may be used to offset accumulated losses or increase the registered capital of the subsidiaries, subject to approval from the authorities of the PRC. The reserves are not available for dividend distribution to the shareholders.

#### 26 TRANSLATION RESERVE

The foreign currency translation reserve represents exchange differences arising from the translation of the financial statements of foreign operations whose functional currencies are different from that of the Group's presentation currency.

#### 27 LOSS PER SHARE

Loss per share is calculated by dividing the net loss attributable to owners of the Company of \$6,375,000 (2019: loss of \$6,247,000) by the weighted average number of ordinary shares outstanding during the year of 267,756,478 (2019: 267,392,320) shares.

Diluted earnings per share is the same as basic earnings per share as there were no dilutive potential ordinary shares as at 31 December 2020 and 2019.

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

#### 28 **RELATED PARTY TRANSACTIONS**

There were no related party transactions during the year by the Group other than the loan from a director in prior year as disclosed in Note 20 to the financial statements and compensation of key management personnel below.

#### Compensation of key management personnel

	Gro	oup
	2020	2019
	\$'000	\$'000
Short-term employee benefits	744	1,354
Defined contribution plans	40	50
Other short-term benefits	15	19
	799	1,423
Comprise amounts paid to:		
– Directors of the Company	423	863
– Other key management personnel	376	560
	799	1,423

#### 29 **SEGMENT INFORMATION**

A segment is a distinguishable component of the Group that is engaged either in providing products or services (business segment), or in providing products or services within a particular economic environment (geographical segment), which is subject to risks and rewards that are different from those of other segments.

Segment information is presented in respect of the Group's geographical segments only as it is not meaningful to present segmental reporting by business segments since revenue of the Group is primarily derived from the manufacture and sale of dyestuffs and auxiliaries.

Inter-segment pricing is determined on an arm's length basis. The Group's operating businesses are organised and managed separately by geographical segments based on location of assets. Revenue, assets and additions to property, plant and equipment are based on the location of those assets.

Segment results, assets and liabilities include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Unallocated items mainly comprise income-earning assets and revenue, interest-bearing loans, borrowings and expenses, and corporate assets and expenses.

Segment capital expenditure is the total costs incurred during the financial year to acquire segment assets that are expected to be used for more than one year.

Intercompany balances	(16,336)	(15,552)
	(16,285)	(15,507)

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

#### 30 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group and the Company are exposed to financial risks arising from its operations and the use of financial instruments. The key financial risks include credit risk, liquidity risk, interest rate risk and foreign currency risk. The board of directors reviews and agrees on policies for managing each of these risks and they are summarised below. It is, and has been, throughout the current and previous financial year, the Group's policy that no trading in derivatives for speculative purposes shall be undertaken.

The following sections provide details regarding the Group's and the Company's exposure to the above-mentioned financial risks and the objectives, policies and processes for the management of these risks.

#### (a) Credit risk

Credit risk is the risk of loss that may arise on outstanding financial instruments should a counterparty default on its obligations. The Group's and the Company's exposure to credit risks arises primarily from trade receivables. For other financial assets (including cash and cash equivalents and notes receivables), the Group and the Company minimise credit risk by dealing with high credit rating counterparties.

It is the Group's and the Company's policy to provide credit terms to creditworthy customers where credit terms granted are usually due within 30 to 90 days from the date of billing. Receivable balances are monitored on an ongoing basis. The Group has strict credit policy for new customers by requesting for 20% to 30% of the contractual sum as advance payment for PRC customers. The Group and the Company do not expect to incur material credit losses except as provided for in the financial statements.

The Group and the Company consider the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

The Group and the Company have determined the default event on a financial asset to be when the counterparty fails to make contractual payments, after a year they fall due for customers located in the PRC and after 180 days for customers located in Asia Pacific, which are derived based on the Group's and the Company's historical information.

#### FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

#### 30 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

#### (a) Credit risk (Continued)

The Group and the Company consider available reasonable and supportive forwarding-looking information which includes the following indicators:

- Internal credit rating
- External credit rating
- Actual or expected significant adverse changes in business, financial or economic conditions that are expected to cause a significant change to the borrower's ability to meet its obligations
- Actual or expected significant changes in the operating results of the borrower
- Significant increases in credit risk on other financial instruments of the same borrower
- Significant changes in the value of the collateral supporting the obligation or in the quality of third-party guarantees or credit enhancements
- Significant changes in the expected performance and behaviour of the borrower, including changes in the payment status of borrowers in the Group and the Company and changes in the operating results of the borrower.

Regardless of the analysis above, a financial asset is credit-impaired when one or more events that have a detrimental impact on the estimated future cash flows of that financial asset have occurred. Evidence that a financial asset is credit-impaired includes observable data about the following events:

- There is significant difficulty of the issuer or the borrower
- A breach of contract, such as a default or past due event
- It is becoming probable that the borrower will enter bankruptcy or other financial re-organisation
- There is a disappearance of an active market for that financial asset because of financial difficulty.

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

#### 30 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

#### (a) Credit risk (Continued)

The Group and the Company categorise a receivable for potential write-off when a debtor fails to make contractual payments more than a year past due. It is a common practice in the Group's industry for payments to be made 3 to 12 months after the offered credit term, particularly for PRC, where it is common for debtors to make payment after the due date. Financial assets are potentially written off after 5 years when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Group. Where receivables have been written off, the Group and the Company continue to engage enforcement activity such as sending demand or lawyer letters to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.

The following are credit risk management practices and quantitative and qualitative information about amounts arising from expected credit losses for each class of financial assets.

#### Trade receivables

The Group and the Company provides for lifetime expected credit losses for its trade receivables using a provision matrix. The provision rates are determined based on Group's historical credit loss experience, that is taking 10 years average of impairment made during the year over the net trade receivables as at each year end. Information regarding loss allowance movement of trade receivables are disclosed in Note 15 to the financial statements. The expected credit losses also incorporate forward looking information such as forecast of economic conditions where the gross domestic product will deteriorate over the next year, leading to an increased number of defaults.

#### 30 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

#### (a) Credit risk (Continued)

#### Excessive risk concentration

Concentration arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations indicate the relative sensitivity of the Group's performance to developments affecting a particular industry.

In order to avoid excessive concentrations of risk, the Group's policies and procedures include specific guidelines to focus on maintaining a diversified portfolio. One way is to increase its market shares outside PRC.

There is no credit risk concentration other than those described below.

#### Exposure to credit risk

At the end of the reporting period, the Group's maximum exposure to credit risk is represented by the carrying amount of each class of financial assets recognised in the statement of financial position.

#### Credit risk concentration profile

#### Group

The Group determines concentrations of credit risk by monitoring the geographical profile of its trade receivables on an on-going basis. The Group provides expected credit loss for its trade receivables. The credit risk concentration profile of the Group's trade receivables at the end of the reporting period is as follows:

	Group			
	2	020	20	)19
	\$'000	% of total	\$'000	% of total
By geographical region:				
PRC	2,120	64	4,853	71

Credit risk concentration profile (Continued)

Company

At the end of the reporting period, approximately 93% (2019: 73%) of the Company's trade and other receivables were balances with subsidiaries.

#### (b) Liquidity risk

Liquidity risk is the risk that the Group or the Company will encounter difficulty in meeting financial obligations due to shortage of funds.

The Group's and the Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank loans, finance lease and stand-by credit facilities.

The Group's and the Company's liquidity risk management policy is to maintain sufficient liquid financial assets and stand-by credit facilities with few different banks.

The Group monitors its liquidity risk and maintains adequate level of cash and cash equivalents to finance the Group's operations.

#### (c) Foreign currency risk

The Group has transactional currency exposures arising from sales or purchases that are denominated in a currency other than the respective functional currencies of Group entities, primarily USD. These give rise to foreign currency risk. However, the Group tries to match the timing of its receipts and payments in the same foreign currency in an effort to reduce foreign currency risk.

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

#### 30 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

#### (c) Foreign currency risk (Continued)

Sensitivity analysis for foreign currency risk

The following table demonstrates the sensitivity of the Group's loss before taxation with a reasonably possible change in the USD against the respective functional currencies of the Group's entities, with all other variables held constant.

		Gro	up
		2020	2019
		Loss	Loss
		before tax	before tax
		\$'000	\$'000
USD/SGD	– strengthened 3% (2019: 3%)	+30	+37
	– weakened 3% (2019: 3%)	-30	-37

#### 31 FAIR VALUE OF FINANCIAL INSTRUMENTS

Assets and liabilities that are not carried at fair value and whose carrying amounts are reasonable approximation of fair value

The carrying amounts of current trade and notes receivables, other receivables and deposits, cash and cash equivalents, trade and other payables, bill payables to banks, and term loans, approximate their respective fair values due to the relatively short-term nature of these financial instruments.

The carrying amounts of non-current trade receivables, term loans and lease liabilities approximate fair value, which were determined and estimated by discounting future cash flows at market incremental interest rate for similar type of borrowings or leasing arrangement at the reporting date.

#### FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

#### 32 CAPITAL MANAGEMENT

Capital includes debt and equity items as disclosed in the table below.

The primary objective of the Group's capital management is to ensure that it maintains a strong credit rating and healthy capital ratios in order to support its business and maximise shareholder value.

The Group manages its capital structure and makes adjustments to it, in light of changes in economic conditions. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. No changes were made in the objectives, policies or processes during the years ended 31 December 2020 and 31 December 2019.

As disclosed in Note 25 to the financial statements, subsidiaries in the PRC are required to contribute and maintain non-distributable general and enterprise expansion reserve fund, whose utilisation is subject to approval by the relevant PRC authorities. This externally imposed capital requirement has been complied with by the above-mentioned subsidiaries for the financial years ended 31 December 2020 and 31 December 2019.

The Group monitors capital using gearing ratio. The Group's debt includes loans and lease liabilities. Total equity includes all share capital and reserves of the Group.

	Group		
	2020	2019	
	\$'000	\$'000	
Debts	11,677	7,217	
Cash and bank balances	(4,469)	(3,218)	
Net debt	7,208	3,999	
Total equity	13,931	21,661	
Gearing ratio	52%	18%

# NOTES TO THE FINANCIAL STATEMENTS

#### FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

#### 33 IMPACT OF COVID-19

The prolonged Covid-19 pandemic and slow recovery of the economy continues to have a significant impact on the demand for products within the textile industry.

Globally, government financial assistance and vaccinations programmes are expected to continue to roll out quickly to restore confidence in the markets and help keep companies afloat. The pandemic has deeply changed our lifestyles and how we perceive hygiene and protection. With the world's population growing acutely aware of potential viral transmissions, antiviral textiles and surfaces have become very important. It has thus allowed new reusable healthcare and medical articles like Personal Protection Equipment and Athleisure sectors to grow very quickly with these new demands.

In this context, the Group aims to continue to improve its bottom line by selling higher yielding margin products and service solutions in the above growing sectors to increase its overall profit margins. At the same time, wherever possible we will continue to look into appropriate cost control measures and to buy our raw materials at better prices.

With the above measurements and greater efforts for improvements, barring any unforeseen circumstances, the Group cautiously expects the following: (i) incrementally improving the Group's business value growth for 2021 with better profit margins, (ii) meeting its obligations to banks and creditors, and (iii) sufficient cash flows to meet its operations needs.

#### 34 COMPARATIVE FIGURES

Cash flows from bill payables in the Consolidated Statement of Cash Flows have been reclassified from financing activity to operating activity and impairment of non-financial assets in the Consolidated Statement of Comprehensive Income has been reclassified from administrative expenses to other operating expenses as to conform with current financial year's presentation as follows:

			(restated)
	2019	Reclassification	2019
Net cash generated from operations	51	397	448
Net cash flows used in financing activities	(2,086)	(397)	(2,483)
Administrative expenses	11,401	(1,272)	10,129
Other operating expenses	82	1,272	1,354

Company Registration No. 198904222M

#### Notice of Thirty-First Annual General Meeting

This Notice has been made available on the home page of the Company's corporate website (<u>www.matex.com.sg</u>) and SGXNET. A printed copy of this Notice will not be dispatched to members of the Company.

**NOTICE IS HEREBY GIVEN** that the Thirty-First Annual General Meeting of the Company ("**AGM**" or **Meeting**) will be held by way of electronic means on Wednesday, 28 April 2021 at 10.00 a.m. (Singapore Times) for the purpose of considering and, if thought fit, passing with or without any modifications, the ordinary resolutions as set out below:

#### **Ordinary Business**

[See explanatory note (1)]

1. To receive and adopt the Directors' Statement and Audited Financial Statements for the financial year ended 31 December 2020 and the Auditors' Report thereon.

[Resolution 1]

2. To re-elect Mr. Foo Der Rong who is retiring in accordance with Article 89 of the Company's Constitution, as Director of the Company.

Note: Mr. Foo Der Rong, if re-elected, will remain as Chairman of Nominating Committee and member of the Audit committee and Remuneration committee and will be considered as an independent director.

[Resolution 2]

3. To re-elect Dr. John Chen Seow Phun ("**Dr. John Chen**") who is retiring in accordance with Article 89 of the Company's Constitution, as Director of the Company.

Note: Dr. John Chen, if re-elected, will remain as Chairman of the Board and Audit Committee and member of the Nominating committee and Remuneration committee and will be considered as an independent director.

[Resolution 3]

4. That contingent upon passing of Ordinary Resolution 3 above, to approve Dr. John Chen's continued appointment as an Independent Director in accordance with Rule 406(3)(d)(iii)(A)¹ of the Singapore Exchange Securities Trading Limited ("SGX-ST") Listing Manual Section B: Rules of Catalist ("Catalist Rules"), and such Resolution shall remain in force until the earliest of the following (i) Dr. John Chen's retirement or resignation; or (ii) the conclusion of the third AGM following the passing of this Resolution.

[Resolution 4]

5. That contingent upon passing of Ordinary Resolution 3 and 4 above, shareholders (excluding the Directors and the Chief Executive Officer ("CEO") of the Company, and the respective associates of such Directors and CEO) to approve Dr. John Chen's continued appointment as an Independent Director in accordance with Rule 406(3)(d)(iii)(B)¹ of the Catalist Rules, and such Resolution shall remain in force until the earlier of the following: (i) Mr Chen's retirement or resignation; or (ii) the conclusion of the third AGM following the passing of this Resolution.

[See explanatory note (1)]

[Resolution 5]

6. To approve a sum of up to \$\$117,600 as directors' fees for the year ending 31 December 2021, to be paid quarterly in arrears. (2020: \$\$117,600)

[Resolution 6]

7. To re-appoint Moore Stephens LLP as auditors and to authorise the Directors to fix their remuneration.

[Resolution 7]

#### **Special Business**

8. To consider and if thought fit, to pass the following resolution as ordinary resolution, with or without modification:-

Authority to issue shares in the capital of the Company pursuant to Section 161 of the Companies Act, Cap 50 and Rule 806 of the Listing Manual Section B: Rules of Catalist of the Singapore Exchange Securities Trading Limited

That pursuant to Section 161 of the Companies Act, Cap. 50 and Rule 806 of the Catalist Rules of the Singapore Exchange Securities Trading Limited ("SGX-ST"), the Directors of the Company be authorised and empowered to:

- (a) (i) allot and issue shares in the Company ("**Shares**") whether by way of rights, bonus or otherwise; and/or
  - (ii) make or grant offers, agreements or options (collectively, "Instruments") that might or would require Shares to be issued, including but not limited to the creation and issue of (as well as adjustments to) options, warrants, debentures or other instruments convertible into shares,

at any time and upon such terms and conditions and for such purposes and to such persons as the Directors of the Company may in their absolute discretion deem fit; and

(b) (notwithstanding the authority conferred by this Resolution may have ceased to be in force) issue Shares pursuant to any Instruments made or granted by the Directors of the Company while this Resolution was in force.

(the "Share Issue Mandate")

#### provided that:

- (1) the aggregate number of Shares (including Shares to be issued pursuant to the Instruments, made or granted pursuant to this Resolution) to be issued pursuant to this Resolution shall not exceed 100% of the total number of issued Shares (excluding treasury shares and subsidiary holdings) in the capital of the Company (as calculated in accordance with sub-paragraph (2) below), of which the aggregate number of Shares to be issued (including Shares to be issued pursuant to the Instruments) other than on a pro-rata basis to existing shareholders of the Company shall not exceed 50% of the total number of issued Shares (excluding treasury shares and subsidiary holdings) in the capital of the Company (as calculated in accordance with sub-paragraph (2) below);
- (2)(subject to such calculation as may be prescribed by the SGX-ST) for the purpose of determining the aggregate number of Shares and that may be issued under sub-paragraph (1) above, the total number of issued Shares shall be based on the total number of issued Shares (excluding treasury shares and subsidiary holdings) in the capital of the Company at the time of the passing of this Resolution, after adjusting for:
  - new shares arising from the conversion or exercise of any convertible securities;
  - (b) new shares arising from exercising share options or vesting of share awards which are outstanding or subsisting at the time of the passing of this Resolution provided the options or awards were granted in compliance with the Catalist Rules; and
  - (c) any subsequent bonus issue, consolidation or subdivision of Shares;

Adjustments in accordance with 6(2)(a) or 6(2)(b) above are only to be made in respect of new shares arising from convertible securities, share options or share awards which were issued and outstanding or subsisting at the time of passing of the Share Issue Mandate.

in exercising the Share Issue Mandate conferred by this Resolution, the Company shall comply with the provisions of the Catalist Rules of the SGX-ST for the time being in force (unless such compliance has been waived by the SGX-ST) and the Constitution of the Company; and

(4) unless revoked or varied by the Company in a general meeting, the Share Issue Mandate shall continue in force (i) until the conclusion of the next AGM of the Company or the date by which the next AGM of the Company is required by law and the Catalist Rules to be held, whichever is earlier or (ii) in the case of Shares to be issued in pursuance of the Instruments, made or granted pursuant to this Resolution, until the issuance of such Shares in accordance with the terms of the Instruments.

[See Explanatory Note (2)]

[Resolution 8]

9. To transact any other business that may be properly transacted at an AGM.

By Order of the Board

Dr Tan Pang Kee Chief Executive Officer/Managing Director

Singapore 13 April 2021

#### **Explanatory Notes:**

1. Ordinary Resolution 4 and 5 are to subject the continued appointment of Dr. John Chen Seow Phun ("Dr. John Chen"), whom had served as an Independent Director for an aggregate period of more than 9 years, to a two-tier voting process in accordance with Rule 406(3)(d)(iii) of the Catalist Rules, which has yet to come into effect. Rule 406(3)(d)(iii) of the Catalist Rules will take effect on 1 January 2022.

The Company has decided to early adopt the practice of the two-tier voting process. For the purpose of Ordinary Resolutions 4 and 5, in accordance with Rule 406(3)(d)(iii) of the Catalist Rules, the Directors and the CEO of the Company, and their respective associates, must not accept appointment as proxies unless specific instructions as to voting are given.

The Board of the Company and the Nominating Committee have evaluated the participation of Dr. John Chen at board and committee meetings and determined that he continues to possess independent thinking and the ability to exercise objective judgement on corporate matters independently.

2. The **Ordinary Resolution 8**, if passed, will empower the Directors of the Company, effective until the conclusion of the next AGM of the Company, or the date by which the next AGM of the Company is required by law to be held or such authority is varied or revoked by the Company in a general meeting, whichever is the earlier, to issue Shares, make or grant Instruments convertible into Shares and to issue Shares pursuant to such Instruments, up to a number not exceeding, in total, 100% of the total number of issued Shares (excluding treasury shares and subsidiary holdings) in the capital of the Company, of which up to 50% may be issued other than on a pro-rata basis to existing shareholders of the Company.

For the purpose of determining the aggregate number of Shares that may be issued, the percentage of issued Shares in the capital of the Company will be calculated based on the total number of issued Shares (excluding treasury shares and subsidiary holdings) in the capital of the Company at the time this Ordinary Resolution is passed after adjusting for new shares arising from the conversion or exercise of the Instruments or any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time when this Ordinary Resolution is passed and any subsequent bonus issue, consolidation or subdivision of Shares.

#### Notes:

#### General

- Pursuant to the COVID-19 (Temporary Measures) Act that was passed by Parliament on 7 April 2020 ("Temporary Measures Act") and the COVID-19 (Temporary Measures) (Alternative Arrangements for Meetings for Companies, Variable Capital Companies, Business Trusts, Unit Trusts and Debenture Holders) Order 2020 issued by the Minister of Law on 13 April 2020 (as amended from time to time) ("Meeting Orders"), issuers are able to make alternative arrangements to hold general meetings where personal attendance is required under written law or legal instruments (such as a company's constitution). The Meeting Orders has been extended from 30 September 2020 to 30 June 2021 and amendments to the Temporary Measures Act come into force on 29 September 2020. A joint statement was also issued on 13 April 2020, and subsequently updated on 27 April 2020 and 1 October 2020, by the Monetary Authority of Singapore, the Accounting and Corporate Regulatory Authority and the Singapore Exchange Regulation to provide guidance on the conduct of general meetings during the period when elevated safe distancing measures are in place. In view of these development, general meetings which held on or before 30 June 2021 can be held via electronic means, and are encouraged to do so. This will help keep physical interactions and COVID-19 transmission risks to a minimum, which remain important in the long term, even as safe distancing regulations are gradually and cautiously relaxed. As such, the AGM will be held by electronic means and members of the Company will NOT be allowed to attend the AGM in person.
- Alternative arrangements are instead put in place to allow shareholders to participate in the AGM by:
  - watching or listening to the AGM proceedings via a Live Webcast (as defined below). Shareholders who wish to participate as such will have to pre-register in the manner outlined in Note 3 below;
  - submitting questions ahead of the AGM. Please refer to Notes 6 to 11 below for further details; and
  - voting by proxy at the AGM. Please refer to Notes 12 to 19 below for further details.

#### Participation in AGM proceedings via "live" webcast

- A shareholder of the Company or their corporate representatives (in the case of a shareholder which is a legal entity) will be able to watch or listen to the proceedings of the AGM through a "live" webcast via mobile phone, tablet or computer ("Live Webcast"). In order to do so, the shareholder will have to follow these steps:
  - Shareholders (including those who hold their shares through Relevant Intermediaries (including CPF Investors or SRS Investors)) who wish to watch or listen to the Live Webcast must pre-register with the Company at the URL: https://www.bigmarker.com/AAP/Matex-International-Limited-General-Meetings-2021 (the "Matex AGM Website") no later than 10.00 a.m. on 26 April 2021 ("Registration Deadline").
  - Corporate shareholders must also submit a copy of the Corporate Representative Certificate to the Company at eagm@matex.com. sg, in addition to the registration procedures as set out in paragraph (a) above, by the Registration Deadline, for verification purpose.
  - Following authentication of a shareholder's status, such shareholder will receive an email on their authentication status and instructions on how to access the Live Webcast of the AGM proceedings.
  - Shareholders who have pre-registered by the Registration Deadline but do not receive the aforementioned email by 12.00 p.m. on 27 April 2021 should check the 'spam/junk' folder before contacting the Company at the following email address: eagm@matex.com. sg, with the following details included: (1) the full name of the shareholder; and (2) his/her/its identification/registration number.
- Shareholders are reminded that the AGM proceedings are private. Instructions on access to the Live Webcast of the AGM proceedings should therefore not be shared with anyone who is not a shareholder of the Company or otherwise he or she shall not be authorised to attend the AGM. Recording of the Live Webcast in whatever form is also strictly prohibited.
- $Non-CPF/SRS\ holders\ whose\ shares\ are\ registered\ under\ Depository\ Agents\ ("\textbf{DAs"})\ must\ \underline{also}\ contact\ their\ respective\ DAs\ to\ indicate\ their\ non-contact\ their\ respective\ DAs\ to\ indicate\ their\ non-contact\ their\ respective\ DAs\ to\ indicate\ their\ non-contact\ non-contac$ 5 interest in order for their respective DAs to make the necessary arrangements as stated in Notes 3 above for them to participate in the Live Webcast of the AGM proceedings.

#### Submission of questions prior to the AGM

- 6. A member of the Company may also submit questions relating to the resolutions to be tabled for approval at the AGM or the Company's businesses and operations. The Company will endeavour to address questions which are substantial and relevant.
- 7. To do so, all questions must be submitted no later than 10.00 a.m. on 21 April 2021 (the "Submission Deadline") through any one of the following means:
  - (a) in physical copy by depositing the same at the registered office of the Company at 1003 Bukit Merah Central, #01-10, Inno Centre, Singapore 159836; or
  - (b) by email to eagm@matex.com.sg.
- 8. If the questions are deposited in physical copy at the Company's registered office or sent via email, and in either case not accompanied by the completed and executed proxy form, the following details must be included with the submitted questions: (1) the full name of the shareholder; and (2) his/her/its identification/registration number for verification purposes, failing which the submission will be treated as invalid.
- 9. The Company will endeavour to address substantial and relevant questions relating to the resolution to be tabled for approval at the AGM.
- 10. Please note that shareholders will not be able to ask questions at the AGM and accordingly, it is important for shareholders to submit their questions by the Submission Deadline.
- 11. The Company will publish the minutes of the AGM on SGXNet and the Company's website, and the minutes will record substantial and relevant questions from shareholders relating to the resolution tabled at the AGM, and the responses from the board of directors and management (as applicable).

#### Voting by proxy

- 12. If a member of the Company (whether individual or corporate) wishes to exercise his/her/its voting rights at the AGM, he/she/it must appoint the Chairman of the Meeting as his/her/its proxy to vote on his/her/its behalf at the AGM. In appointing the Chairman of the Meeting as proxy, such member (whether individual or corporate) must give specific instructions as to voting, or abstentions from voting, in respect of a resolution in the instrument appointing the Chairman of the Meeting as proxy ("Proxy Form"), failing which the appointment of the Chairman of the Meeting as proxy for that resolution will be treated as invalid.
- 13. The Chairman of the Meeting, as proxy, need not be a member of the Company.
- 14. The Proxy Form must be submitted through any one of the following means: (a) by depositing a physical copy at the registered office of the Company at 1003 Bukit Merah Central, #01-10, Inno Centre, Singapore 159836; or (b) by sending a scanned PDF copy by email to eagm@matex.com.sg, in each case, no later than 10.00 a.m. on 26 April 2021, and failing which, the Proxy Form will not be treated as valid.
- 15. The Proxy Form must be executed under the hand of the appointor or of his attorney duly authorised in writing. Where the Proxy Form is executed by a corporation, it must be executed under its common seal or under the hand of its officer or attorney duly authorised. Where the Proxy Form is signed on behalf of the appointor by an attorney, the power of attorney (or other authority) or a duly certified copy thereof must (failing previous registration with the Company) be lodged with the Proxy Form, failing which the Proxy Form may be treated as invalid.
- 16. A corporation which is a member may authorise by resolution of its directors or other governing body such person as it thinks fit to act as its representative with respect to the AGM, in accordance with Section 179 of the Companies Act (Chapter 50 of Singapore) and the person so authorised shall upon production of a copy of such resolution certified by a director of the corporation to be a true copy, be entitled to exercise the powers on behalf of the corporation so represented as the corporation could exercise in person if it were an individual.
- 17. The Company shall be entitled to reject the Proxy Form if it is incomplete, improperly completed, illegible or where the true intentions of the appointor are not ascertainable from the instructions of the appointor specified in the Proxy Form.
- 18. In the case of a member of the Company whose shares are entered against his/her name in the Depository Register, the Company may reject any Proxy Form if the member, being the appointor, is not shown to have shares entered against his/her name in the Depository Register as at 72 hours before the time appointed for holding the AGM, as certified by The Central Depository (Pte) Limited to the Company.
- 19. A member of the Company who holds his/her shares through a Relevant Intermediary\* (including CPFIS Members or SRS Investors) and who wish to exercise his/her votes by appointing the Chairman of the Meeting as proxy should approach his/her Relevant Intermediary (including his/her CPF Agent Bank or SRS Operator) to submit his/her voting instructions at least seven (7) working days prior to the date of the AGM.

#### \*A Relevant Intermediary is:

- (a) a banking corporation licensed under the Banking Act, Chapter 19 or a wholly-owned subsidiary of such a banking corporation, whose business includes the provision of nominee services and who holds shares in that capacity; or
- (b) a person holding a capital markets services licence to provide custodial services under the Securities and Futures Act, Chapter 289 and who holds shares in that capacity; or
- (c) the Central Provident Fund Board established by the Central Provident Fund Act, Chapter 36, in respect of shares purchased under the subsidiary legislation made under that Act providing for the making of investments from the contributions and interest standing to the credit of members of the Central Provident Fund, if the Central Provident Fund Board holds those shares in the capacity of an intermediary pursuant to or in accordance with that subsidiary legislation.

#### Personal data privacy:

By pre-registering for the Live Webcast, submitting a Proxy Form appointing the Chairman of the Meeting as proxy to vote at the AGM and/or any adjournment thereof, and/or submitting questions relating to the resolutions to be tabled for approval at the AGM or the Company's businesses and operations, a member of the Company consents to the collection, use and disclosure of such member's personal data by the Company (or its agents or service providers) for the purpose of the processing, administration, analysis and facilitation by the Company (or its agents or service providers) of his/her/its appointment of the Chairman of the Meeting as proxy for the AGM (including any adjournment thereof) and the preparation and compilation of the attendance lists, minutes and other documents relating to the AGM (including any adjournment thereof), and in order for the Company (or its agents or service providers) to comply with any applicable laws, listing rules, regulations and/or guidelines.

This document has been prepared by the Company and its contents have been reviewed by the Company's Sponsor, CIMB Bank Berhad, Singapore Branch ("Sponsor") for compliance with the relevant rules of the Singapore Exchange Securities Trading Limited (the "SGX-ST"), this being the SGX-ST Listing Manual Section B: Rules of Catalist The Sponsor has not independently verified the contents of this document.

This document has not been examined or approved by the SGX-ST. The SGX-ST and the Sponsor assume no responsibility for the contents of this document including the correctness of any of the statements or opinions made or reports contained in this document.

The contact person for the Sponsor are Mr. Jason Chian, Head, Corporate Finance, CIMB Bank Berhad, Singapore Branch. The contact particulars are 50 Raffles Place, #09-01 Singapore Land Tower, Singapore 048623, Telephone: +65 6337 5115.

#### MATEX INTERNATIONAL LIMITED

(Incorporated in the Republic of Singapore) Company Registration No. 198904222M

#### **PROXY FORM**

(Please read notes overleaf before completing this Form)

#### IMPORTANT:

- Alternative arrangements relating to, amongst others, attendance, submission of questions in advance and voting by proxy at the AGM are set out in the Company's announcement dated 13 April 2021 which, together with the Notice of Annual General Meeting dated 13 April 2021 have been uploaded on SGXNET. The announcement and the Notice of Annual General Meeting can also be accessed at the home page of the Company's corporate website (www. matex.com.sg).
- 2. An investor who holds shares under the Central Provident Fund Investment Scheme ("CPF Investor") and/or the Supplementary Retirement Scheme ("SRS Investor") may inform their respective CPF Agent Banks or SRS Operators to appoint the Chairman of the Meeting to act as their proxy at least seven (7) working days before the Meeting.
- This Proxy Form is not valid for use by CPF and SRS Investors and shall be ineffective for all intents and purposes if used or purported to be used by them.

,	of this Proxy Form will not be despatched to members of the Company			
/We	(Name),	(NRIC/Passpor	t/Co. reg	, No)

being a member/members of Matex International Limited (the "Company") hereby appoint the Chairman of the Meeting as my/our proxy to attend and vote for me/us on my/our behalf at the Annual General Meeting of the Company to be held by way of electronic means on Wednesday, 28 April 2021 at 10.00 a.m. ("AGM" or the "Meeting"), and at any adjournment thereof.

I/We direct the Chairman of the Meeting to vote for, against and/or abstain from voting at the resolutions proposed at the AGM as indicated hereunder. If no specific direction as to voting is given or in the event of any other matter arising at the Meeting and at any adjournment thereof, the appointment of the Chairman of the Meeting as proxy for that resolution will be treated as invalid.

\* Voting will be conducted by poll. If you wish, Chairman of the Meeting, as your proxy, to exercise all your votes "For" or "Against" or to "Abstain" from voting on the relevant resolution, please indicate with an "X" in the relevant box provided below. Alternatively, please indicate the number of votes as appropriate. If you mark the abstain box for a particular resolution, you are directing the Chairman of the Meeting not to vote on that resolution on a poll and your votes will not be counted in computing the required majority on a poll. In the absence of specific directions, the appointment of the Chairman of the Meeting as your proxy will be treated as invalid.

#### MATEX INTERNATIONAL LIMITED

#### NOTES TO PROXY FORM

- 1. Please insert the total number of Shares held by you. If you have Shares entered against your name in the Depository Register (as defined in Section 81SF of the Securities and Futures Act, Chapter 289 of Singapore), you should insert that number of Shares. If you have Shares registered in your name in the Register of Members, you should insert that number of Shares. If you have Shares entered against your name in the Depository Register and Shares registered in your name in the Register of Members, you should insert the aggregate number of Shares entered against your name in the Depository Register and registered in your name in the Register of Members. If no number is inserted, the instrument appointing a proxy or proxies shall be deemed to relate to all the Shares held by you.
- 2. Pursuant to the COVID-19 (Temporary Measures) Act that was passed by Parliament on 7 April 2020 ("Temporary Measures Act") and the COVID-19 (Temporary Measures) (Alternative Arrangements for Meetings for Companies, Variable Capital Companies, Business Trusts, Unit Trusts and Debenture Holders) Order 2020 issued by the Minister of Law on 13 April 2020 (as amended from time to time) ("Meeting Orders")
- 3. If a member of the Company (whether individual or corporate) wishes to exercise his/her/its voting rights at the AGM, he/she/it must appoint the Chairman of the Meeting as his/her/its proxy to vote on his/her/its behalf at the AGM. In appointing the Chairman of the Meeting as proxy, such member (whether individual or corporate) must give specific instructions as to voting, or abstentions from voting, in respect of a resolution in the form of proxy, failing which the appointment of the Chairman of the Meeting as proxy for that resolution will be treated as invalid.
- 4. The Chairman of the Meeting, as proxy, need not be a member of the Company.
- 5. This Proxy Form must be submitted through any one of the following means: (a) by depositing a physical copy at the registered office of the Company at 1003 Bukit Merah Central, #01-10, Inno Centre, Singapore 159836; or (b) by sending a scanned PDF copy by email to eagm@matex.com.sg, in each case, no later than 10.00 a.m. on 26 April 2021 and failing which, this Proxy Form will not be treated as valid.
- 6. This Proxy Form must be executed under the hand of the appointor or of his attorney duly authorised in writing. Where this Proxy Form is executed by a corporation, it must be executed under its common seal or under the hand of its officer or attorney duly authorised. Where this Proxy Form is signed on behalf of the appointor by an attorney, the power of attorney (or other authority) or a duly certified copy thereof must (failing previous registration with the Company) be lodged with this Proxy Form, failing which this Proxy Form may be treated as invalid.
- 7. A corporation which is a member may authorise by resolution of its directors or other governing body such person as it thinks fit to act as its representative with respect to the AGM, in accordance with Section 179 of the Companies Act, Chapter 50 of Singapore and the person so authorised shall upon production of a copy of such resolution certified by a director of the corporation to be a true copy, be entitled to exercise the powers on behalf of the corporation so represented as the corporation could exercise in person if it were an individual.
- 8. A member of the Company who holds his/her shares through a Relevant Intermediary\* (including CPFIS Members or SRS investors) and who wish to exercise his/her votes by appointing the Chairman of the Meeting as proxy should approach his/her Relevant Intermediary (including his/her CPF Agent Bank or SRS Operator) to submit his/her voting instructions at least seven (7) working days prior to the date of the AGM.
- \* A Relevant Intermediary is:
- (a) a banking corporation licensed under the Banking Act (Cap. 19) or a wholly-owned subsidiary of such a banking corporation, whose business includes the provision of nominee services and who holds shares in that capacity; or
- (b) a person holding a capital markets services licence to provide custodial services for securities under the Securities Futures Act (Cap. 289) and who holds shares in that capacity; or
- (c) the Central Provident Fund Board established by the Central Provident Fund Act (Cap. 36), in respect of shares purchased under the subsidiary legislation made under that Act providing for the making of investments from the contributions and interest standing to the credit of members of the Central Provident Fund, if the Board holds those shares in the capacity of an intermediary pursuant to or in accordance with that subsidiary legislation.

#### Personal Data Privacy:

By submitting an instrument appointing the Chairman of the Meeting as proxy, the member accepts and agrees to the personal data privacy terms set out in the Notice of Annual General Meeting dated 13 April 2021.

#### General:

The Company shall be entitled to reject the instrument appointing the Chairman of the Meeting a proxy if it is incomplete, improperly completed or illegible, or where the true intentions of the appointor are not ascertainable from the instructions of the appointor specified in the instrument appointing the Chairman of the Meeting as proxy. In addition, in the case of Shares entered in the Depository Register, the Company may reject any instrument appointing the Chairman of the Meeting as proxy lodged if the member, being the appointor, is not shown to have Shares entered against his name in the Depository Register as at 72 hours before the time appointed for holding the Meeting, as certified by The Central Depository (Pte) Limited to the Company.
